Telephone Rates 1911-12.

The following bill laid over from last meeting was taken up:

Bill No. 1780, Ordinance No. — (New Series), entitled, "Fixing and determining the maximum rates of compensation to be collected for telephonic service in the City and County of San Francisco for the year commencing July 1, 1911, and ending June 30, 1912, and prescribing the quality of said telephonic service during said year."

Report of Telephone Rates Committee.

The following report was presented by Supervisor Loughery and read by the Clerk:

Office of the Board of Supervisors,
70 Eddy Street,

San Francisco, Cal., June 5, 1911.
To the Honorable, the Board of Supervisors of the City and County of San Francisco.

Gentlemen: Your Committee on Telephone Rates whom your Honorable Board instructed to prepare a bill fixing and determining the maximum rates or compensation to be collected for telephonic service in the City and County of San Francisco for the year commencing July 1, 1911, and ending June 30, 1912, begs leave to report that it has considered carefully the various matters referred to it, and has heard the complaints of subscribers, among whom were representatives of the Hotelmen's Association, in regard to a request for a reduction in rates on extension stations in rooms of hotel guests. After several conferences with the representatives of the telephone companies, your committee was enabled to secure a satisfactory rate for the hotel men. The hotel men will be allowed, in addition to the reduction in rates on extension stations, a rebate, equal to ten per cent off their bills, to cover the expense incurred by them in keeping the telephone accounts of the hotel guests. This reduction in the hotel telephone rates will mean a saving of approximately \$21,000.00 for the next fiscal year for hotel men.

The present rates for hotel extension stations are:

Fifty cents per month each, for the first 100 telephones or less.

Thereafter they are graduated down to 25 cents each, according to the number installed.

Under the proposed ordinance, the rates will be:

Fifty cents per month each, for the first 50 telephones or less.

Twenty-five cents per month each, for telephones over 50.

In view of the fact that last year your Honorable Board, on the recommendation of your committee, made certain modifications and changes in telephone rates fixed by ordinance of the previous year, whereby a reduction or saving was effected, to the telephone subscribers or users, in the business and residence sections, of approximately \$70,000.00 and \$45,000.00 per year, respectively, or a total of \$115,000.00 for both sections, your committee has concluded that it would not be advisable to recommend any further reductions in these two classes of telephone service, leaving it to healthy competition to effect further reductions.

A new provision in the new ordinance, as recommended by your committee, will provide against exclusive contracts being entered into. The provision is as follows:

"No contract shall be enacted, made or enforced that will exclude or in any manner prohibit or restrict any patron or subscriber from receiving telephonic service from any other person or corporation engaged in such business, or from installing and using in any manner that may be desired the telephones or instruments of two or more different telephone systems; nor shall telephonic service be refused for the reason that the person requesting same is a patron of another person or corporation, or using another or different telephone system."

The enforcement of this provision will enable the competing company to install its system of telephone service in "public pay stations," where heretofore it has been denied that privilege, owing to an exclusive contract entered into between the Pacific Telephone and Telegraph Company and its public pay station subscribers. It might be mentioned that the older company has already at the suggestion of your committee, discontinued the practice of exacting exclusive contracts. Notwithstanding the urgent appeals of the representatives of the Pacific Telephone & Telegraph Company to discontinue the use of the four-party lines at \$1.50 per month, and substitute therefor the two-party line at \$2.25 per month, in order, as they claim, that the service may be improved, your committee has concluded to recommend that both the two-party and four-party lines be retained and let the subscribers decide themselves what class of service will suit them best. There are about 25,000 four-party lines at the present time in use.

The attention of your Honorable

Board is directed to the provision of the Home Telephone Company's franchise wherein it is mentioned that the company is to pay to the City and County of San Francisco 2 per cent of the gross receipts yearly during the life of its franchise. The first payment will be due at the end of the fiscal year ending June 30, 1912. The estimated gross receipts will be \$350,000.00 for the coming year.

In conclusion, your committee would state that it has been forcibly impressed with the very important duty assigned to it, of preparing a bill for fixing and determining telephone rates, while conducting the various investigations, and at times during these investigations felt that the assistance of an expert on telephonic matters to aid in arriving at definite and justifiable conclusions in fixing rates would be desirable. Your committee therefore would recommend that your Honorable Board proceed to secure the services of a man familiar with telephonic maintenance and construction and other matters or details kindred to a telephone system, in order that a basis may be established in fixing rates in the future, which would be justifiable and unassailable. The man selected for the place should be employed permanently, and should have supervision over all public service telephone systems in the City and County, and investigate complaints of telephone users and perform such other duties as may from time to time be prescribed by your Honorable Board.

Your committee desires at this time to express its appreciation of the courtesies and assistance extended it by Mr. D. A. Hagens of the Merchants' Association and Mr. A. D. L. Hamilton of the Civic League in furnishing telephonic data from other cities.

Your committee recommends the passage of a bill, herewith submitted, fixing and determining telephone rates for the year commencing July 1, 1911, and ending June 30, 1912.

Respectfully submitted,

ROBT. J. LOUGHERY,

T. B. HEALY.

T. P. MINEHAN.

Committee on Telephone Rates.

Privilege of the Floor.

Miss M. A. Ross was granted the privilege of the floor and addressed the Board on the large percentage of profit in the telephone business. She instanced the fact that wall telephones cost \$7.50 for installation and a charge of 50 cents per month was made for rental—a profit of 50 per cent; also, that desk phones cost \$12 for installation and gave a return of practically 100 per cent. She suggested that in future rates fixing a basis should be found by a careful examination of the finances of the companies.

Passed For Printing.

Whereupon, the question being taken, the foregoing Bill was passed for printing by the following vote:

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—17.

Report of Water Rates Committee.

The following report was presented and ordered placed on file:

To the Honorable the Board of Supervisors of the City and County of San Francisco.

Gentlemen:—Your Committee on Water Rates, having had under consideration the question of water rates for the fiscal year commencing July 1, 1911, begs leave to report thereon as follows:

The matters before your Committee and taken into consideration in making these rates, comprise the following:

(1) Three vols. of testimony taken before the Board sitting as a Committee of the Whole.

(2) *Communication*—From Mrs. R. Greenfield, protesting against excessive charge for water at premises 2325-30 Fillmore street.

(3) Lincoln Park Improvement Club, requesting that the Spring Valley Water Co. install four-inch main in crossing of Clement street and Thirty-second avenue and complaining of insufficient water supply.

(4) Richmond Central Improvement Club, for extension of four-inch main in the Park and Presidio Extension of California street from Fourteenth to Thirty-second avenues, and for installation of fire hydrants.

(5) Ocean View Improvement Club, requesting that the Spring Valley Water Co. put a six-inch water main in San Jose avenue from Plymouth avenue to the County line.

(6) *Petition*—Of John Biniariz and others, for a more adequate supply of water in the Fairmount District.

(7) *Communication*—From John E. Behan, acknowledging the receipt of resolutions of the Board, requesting necessary data and information preliminary to water investigation.

(8) *Communication*—From Margaret Mahoney, M. D., claiming title to portion of Laguna de la Merced.

(9) *Communication*—From Spring Valley Water Co., acknowledging receipt of communications stating time set for commencement of water investigation.

(10) *Communication*—From Assessor, with statement of valuation of properties of Spring Valley Water Co. in this City and County.

(11) *Communication*—From Assessor of Santa Clara County, with statement of properties of Spring Valley Water Co. in Santa Clara County.

(12) *Communication*—From Assessor of San Mateo County with statement of properties of Spring Valley Water Co. in San Mateo County.

(13) *Communication*—From Chief of Police, transmitting certificate of official water test made by Stephen A. Byrne, Light and Water Inspector, showing that eight of the eleven meters in use in police stations are incorrect.

(14) Statement from Spring Valley Water Co., showing operating expenses and inventory of property of the said Company not now in actual use in supplying San Francisco with water.

(15) Statement of Spring Valley Water Company showing the receipt from all sources and an itemized list of expenditures during the year preceding January 1, 1911.

(16) Statement of Spring Valley Water Company showing receipts from all sources and an itemized statement of expenditures made during the six months ending December 31, 1910.

(17) Statement of Spring Valley Water Company of the valuation of properties of said company as shown by the books of the company.

(18) Statement of Spring Valley Water Company showing the operating expenses for the fiscal year 1909-10.

(19) Statement of the Spring Valley Water company showing the properties and works now in use in supplying water to the city and county of San Francisco.

(20) *Communication*—From City Engineer Marsden Manson, transmitting to the Board of Works, appraisal of the value of the properties of the Spring Valley Water Company under date of February 1, 1911.

(21) *Communication*—From John T. Harms, as trustee of the Treadwell Tract, complaining of the refusal of the Spring Valley Water Company to lay mains for furnishing water to the district known as the "Treadwell Tract."

(22) Testimony of Marsden Manson, taken at the water investigation in 1910.

(23) Showing of the Spring Valley Water Company at the last investigation. These two last matters were considered at the request of Mr. McCutchen, counsel in behalf of the company.

(24) *Communication*—From Stephen A. Byrne, Light and Water Inspector, transmitting complaints of consumers against water company for overcharges, etc.

The question of making rates that

will be just to the company and to the consumers alike seems to be one on which so much may be said on both sides that your committee have found much difficulty in reaching a conclusion.

The company has always contended that the rates are too low to produce a revenue which will give what it terms a percentage justified by its expenditure and the present value of its plant.

Through its attorney, it makes a demand based upon its revenues and expenditures for an increase of 10 per cent over the rates now collected and a five dollar hydrant rate, which means a 25 per cent increase over the rates provided in the present ordinance and an increase approximately of \$130,500 for hydrants or double the amount now paid.

From testimony taken before your committee it was shown that many residents in outlying districts and others within easy distance of the company's mains are wholly unsupplied or inadequately supplied with water for household purposes and fire protection, and the only answer the company gives to these conditions is that pending the intention of the city to install its own water systems, it does not feel justified in making any capital investment for the improvement of its service.

This answer from a company collecting equitable rates from consumers is poor satisfaction to a large portion of our population, who by force of circumstances have settled in the outlying districts since the date of the great fire.

It has been shown that people in parts of the Ingleside District are compelled to carry water in buckets for household purposes and that some who have laid their own pipes are unable to get water for lack of pressure. The Laguna Honda reservoir is too low for this service. At the lower elevation of the University Mount District the people are adequately supplied, but the adjoining hills, which in places are thickly populated, are without service and the people are compelled to depend on springs and wells in the neighborhood which in portions of the year run dry. The reservoir in this district is constructed at a low elevation.

Basing its action on the fact that the company have made no investments since the passage of the last ordinance and feeling that until the courts render a decision indicating an increased valuation of the property, the city is not justified in increasing water rates, your committee recommends the passage of the accompany-

ing ordinance for rates for the year commencing July 1, 1911.

Respectfully submitted,

CHAS. A. NELSON,

T. P. O'DOWD,

CHAS. A. MURDOCK,

Meter Rates.

Section 10. Water furnished for any and all purposes not embraced in the above shall be supplied by meter at the following rates:

The first 2,000 cubic feet used (between 0 and 2,000 cubic feet) shall be charged for at the rate of twenty-five (25) cents per 100 cubic feet.

The next 2,000 cubic feet used (between 2,000 and 4,000 cubic feet) shall be charged for at the rate of twenty-four (24) cents per 100 cubic feet.

The next 2,000 cubic feet used (between 4,000 and 6,000 cubic feet) shall be charged for at the rate of twenty-two (22) cents per 100 cubic feet.

The next 2,000 cubic feet used (between 6,000 and 8,000 cubic feet) shall be charged for at the rate of twenty-one (21) cents per 100 cubic feet.

The next 2,000 cubic feet used (between 8,000 and 10,000 cubic feet) shall be charged for at the rate of twenty (20) cents per 100 cubic feet.

The next 5,000 cubic feet used (between 10,000 and 15,000 cubic feet) shall be charged for at the rate of nineteen (19) cents per 100 cubic feet.

The next 5,000 cubic feet used (between 15,000 and 20,000 cubic feet) shall be charged for at the rate of eighteen (18) cents per 100 cubic feet.

The next 5,000 cubic feet used (between 20,000 and 25,000 cubic feet) shall be charged for at the rate of seventeen (17) cents per 100 cubic feet.

The next 5,000 cubic feet used (between 25,000 and 30,000 cubic feet) shall be charged for at the rate of sixteen (16) cents per 100 cubic feet.

The next 10,000 cubic feet used (between 30,000 and 40,000 cubic feet) shall be charged for at the rate of fifteen (15) cents per 100 cubic feet.

The next 10,000 cubic feet used (between 40,000 and 50,000 cubic feet) shall be charged for at the rate of fifteen (15) cents per 100 cubic feet.

The next 10,000 cubic feet used (between 50,000 and 60,000 cubic feet) shall be charged for at the rate of fourteen (14) cents per 100 cubic feet.

The next 10,000 cubic feet used (between 60,000 and 70,000 cubic feet) shall be charged for at the rate of thirteen (13) cents per 100 cubic feet.

All water used in excess of 70,000 cubic feet per month to be charged for at the rate of twelve (12) cents per 100 cubic feet.

No monthly meter bill to be less than one and 80-100 dollars (\$1.80), except as hereinafter provided.

Upon application of any ratepayer the Board of Supervisors shall reserve the right, upon a proper showing of cause, to require the company to put in a meter and charge meter rates for any consumer of water, on such conditions as the Board may impose as to the rental when meter is not actually used.

Meter Rates For Shipping.

Water shall be furnished and delivered by meter measurement to shipping lying alongside of the bulkhead or any of the wharves on the water front where water pipes or mains are laid, between the hours of 6 o'clock a. m. and 6 o'clock p. m., daily, upon application being made therefor, at the following rates: When supplied by reel and hose cart, \$1.50 per 1000 gallons. When supplied by connection with water pipes, at rates that shall not exceed double the regular meter rates established by Section 10. The minimum charge for each separate delivery to be fifty (50) cents.

No water boat furnishing and supplying water to shipping lying at anchor within the limits of the wharves of the City and County of San Francisco shall charge a rate to exceed three dollars (\$3.00) per 1000 gallons.

Hydrant Rates.

Section 11. The rates of compensation to be collected for water supplied by and through hydrants to the City and County of San Francisco shall be two dollars and fifty cents (\$2.50) per month for each hydrant for fire purposes and flushing of sewers.

Prevention of Waste.

Section 12. Prevention of waste or excessive use:

In no case where the fixed rates above provided, other than meter rates, are applicable, shall any charge for water be made by meter rates, it being the purpose of this Ordinance to provide for all dwelling houses a fixed monthly rate which shall not be increased by the person, company or corporation supplying water.

Provided, however, that for the purpose of discovering and repressing

waste or excessive use, all persons, companies or corporations shall have the right in all cases to apply and maintain meters to measure the water used or consumed, and to charge and collect for waste or excessive use under the condition and to the extent hereafter provided in this section, and not otherwise.

No consumer shall be deemed guilty of waste or excessive use unless the water used or consumed upon his premises in any month shall exceed by fifty (50) per cent the number of cubic feet which at regular meter rates amount to his rated bill, in which case such excess shall be deemed waste or excessive use.

Immediately after the discovery of any waste or excessive use, the consumer shall be notified thereof by the person, company or corporation supplying water, by notice mailed to his address or to the agent or person to whom his water bills are presented for collection.

After such notice the consumer may be charged and there may be collected from him for any waste or excessive use thereafter occurring upon his premises at regular meter rates, but such charge or collection shall not exceed for the first month the sum of two dollars (\$2.00), for the second month the sum of four dollars (\$4.00), or for any following month the sum of five dollars (\$5.00).

Board of Public Works to Examine Complaints, Etc.

It shall be the duty of the Board of Public Works, by its Gas, Water and Electrical Inspector of this City and County, to inquire into all cases of complaints by water consumers as to charges made against them for waste or excessive use under the foregoing provisions of this section, and to adjust such charge, as follows:

Any water consumer against whom a water bill is presented containing a charge for waste or excessive use of water may within five days after such bill is presented to him (provided that he first pay the fixed rate charged on such bill, exclusive of the charge made for said alleged waste or excessive use) make complaint to said inspector that such charge is incorrect, whereupon the said inspector shall promptly inspect the premises of the consumer so complaining and cause a test to be made of the water meter upon said premises, and from such inspection and test and subsequent inspection and test as said inspector may see fit and proper to make shall determine as near as can be the amount of water used, consumed or wasted upon said premises during the period covered

by said bill. As soon as such determination is made and within twenty (20) days after the said complaint is made said inspector shall make a certificate stating the amount of water so determined to have been used, consumed or wasted, and showing the true and correct amount, if anything, which may be charged against and collected from said consumer under the foregoing provisions of this section for waste or excessive use, and shall immediately transmit such certificate to the person, company or corporation supplying water, and also a copy thereof by mail to the water consumer.

The said certificate shall be conclusive between the water consumer and said person, company or corporation as to the amount, if anything which said person, company or corporation shall be entitled to collect from the consumer for waste or excessive use of water during the period covered by the bill of which complaint is made: provided, however, that if either the consumer or the water company is dissatisfied with the certificate of the water inspector appeal may be taken within five (5) days to the Committee on Water Rates of the Board of Supervisors, which shall, within five (5) days after such appeal, hear and finally determine the matter in dispute.

The said inspector shall keep in his office a proper record or records, showing the date of each complaint made to him, the name of the consumer complaining, the location of his premises, and stating briefly the inspection made by him of the premises and the tests applied to the meter, the time or times of such inspection and tests, and the results thereof, with the reading of the meter at each test or inspection, and all other material facts connected therewith. Such records so kept to be open for public examination in his office.

Rates—When Payable.

Section 13. All water rates, except meter rates and City and County rates, are due and payable monthly in advance.

Meter and City and County rates are due and payable at the end of each month, and upon meter rates a deposit not exceeding three-fourths ($\frac{3}{4}$) of the value of the estimated quantity of water to be consumed may be required.

Notice of Discontinuance.

Section 14. Any consumer may at any time, upon payment of accrued rates, notify the company in writing to cut off or discontinue the water supply upon his premises, after which no charge shall be made for water for said premises until the use of water is resumed.

Maximum Rates Fixed.

Section 15. This Ordinance fixes the maximum beyond which no person, company or corporation shall be permitted to charge for water supplied.

Section 16. This Ordinance shall take effect and be in force on and from July 1, 1911, to June 30, 1912.

Adopted.

The following resolutions were introduced under suspension of the rules, and adopted:

Favoring Use of California Marble in Municipal Buildings.

On motion of Supervisor Murdock: Resolution No. 7965 (New Series). as follows:

Resolved, That it is the sense of the Board of Supervisors that preference should be given in all public buildings to material produced in the State of California, whenever it is not of manifest disadvantage to the City, and that in the matter of the marble to be used in the Hall of Justice, the Board of Public Works be requested to disregard the consideration of superior beauty in the selection of marble unless it be very great, it being the opinion of the members of the Board that if marble as beautiful as that used in the Alaska Commercial Building or the Merchants Exchange Building can be utilized at a

saving of over \$13,000, it should be used, and would be generally accepted as good enough for City buildings, and also contribute a good advertisement for a California product of which we may justly be proud.

Letter From Supervisor Harris.

The following communication was read by the Clerk and ordered spread at length in the Journal:

San Francisco, Calif., June 19, 1911.
To the Honorable, the Board of Supervisors of the City and County of San Francisco.

Gentlemen:—It has been my intention and my earnest desire to be present at the regular meeting of the Board of Supervisors this day, in order that I might vote in favor of Bill 1783, providing for the suspension of the Dollar Limit and the levying of an Emergency Tax to provide a revenue for the next fiscal year.

I find, however, that my physical condition is such, and my physician advises me that it would be unwise for me to attend your meeting. I greatly regret that this prevents me from attending, but I wish to state that were I present I should vote in favor of Bills Nos. 1783 and 1784, and if it is possible to do so please record me as voting in favor of the passage of the same.

With my kindest regards to all of you, I remain,

Yours truly,
M. HARRIS, Supervisor.

Telephone Rates 1911-12.

The following bill heretofore *passed for printing* was taken up:

Bill No. 1780, Ordinance No. — (New Series), entitled, "Fixing and determining the maximum rates of compensation to be collected for telephonic service in the City and County of San Francisco for the year commencing July 1, 1911, and ending June 30, 1912, and prescribing the quality of said telephonic service during said year."

Privilege of the Floor.

Miss M. A. Ross was granted the privilege of the floor and addressed the Board, stating that a 2½ cents a switch with a flat rental of 50 cents, 75 cents or a \$1.00 per month for four, two or one party residence phones would amply recompense the companies; and that for unlimited service the \$5 and \$6 charges should suffice for one and two party lines. She said that subscribers should have the privilege of exchange service between the two companies, which she said was in vogue to a limited extent in Los Angeles.

N. Prendergast, representing the Bay Cities Home Telephone Co., denied that their was an exchange service between the two companies in Los Angeles, and requested that there be no further delay in the final passage of the ordinance.

Frank McNally, representing the Pacific Telephone and Telegraph Company, also requested that there be no further delay in final passage of ordinance.

Final Passage.

Whereupon, the question being taken, the foregoing bill was *finally passed* as Ordinance No. 1595 (New Series) by the following vote:

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks,

Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—17.

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—17.

NEW BUSINESS.

Adopted.

The following Resolution was adopted:

Recorder to Cancel Certain Certificates of Sale of Property Sold in Error to State for Non-Payment of Taxes.

On motion of Supervisor Walsh: Resolution No. 7997 (New Series), as follows:

Whereas, The Auditor and Tax Collector, in joint communication filed June 17, 1911, certify that the following described property has been sold to the People of the State of California, to wit:

Lot on the south line of Farallone street 825 feet east from Plymouth avenue, east 25 by 100 feet; Block "K", Railroad Homestead Association; as-

sessed in the name of Anna D. Joost. Sold to the State June 24, 1908, under certificate of sale No. 1265.

Lot on the northwest line of San Jose avenue 156 feet 1¾ inches northeast from Broad street; northeast 50 feet; north 24 feet 9 inches; west 50 feet; south 57 feet 4½ inches to point of beginning; Block "K", Railroad Homestead Association; assessed in the name of Anna D. Joost; sold to the State June 27, 1908, under certificate of sale No. 1265½.

Lot on the northwest line of San Jose avenue 156 feet 6 5-8 inches, more or less, northeast from Broad street; north 57 feet 4½ inches; east 50 feet; south 24 feet 9 inches; southwest 50 feet more or less, to point of beginning. Block "K", Railroad Homestead Association. Assessed in the name of Anna D. Joost. Sold to the State June 27, 1910, under certificate of sale No. 1265.

Lot on the northwest line of San Jose avenue 206 feet 6 5-8 inches, more or less, northeast from Broad street; north 124 feet 9 inches; east 25 feet; south 121 feet 1 inch; southwest 29 feet 9¾ inches to point of beginning. Block "K", Railroad Homestead Association; assessed in the name of Anna D. Joost. Sold to the State June 27, 1910, under certificate of sale No. 1266.

That the assessments of said property for the years 1907, 1908, 1909, are duplicate assessments, because of the Assessor assessing 50 feet more frontage than existed in said Block "K".

That all taxes correctly levied against the property in said Block "K" have been paid; therefore, be it

Resolved, That the Recorder be and is hereby directed to cancel Certificates of Sale No. 1265 and 1265½ of June 24, 1908, and numbers 1265 and 1266 of June 27, 1910, and the Auditor be and is hereby directed to cancel any and all duplicate assessments now standings open on the Tax Rolls against the above described property.

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—17.

NEW BUSINESS (Out of Order).

Denying Garage Permit.

The following matter heretofore re-committed to Fire Committee was taken up:

Resolution No. — (New Series), as follows:

Resolved, That in the exercise of the sound and reasonable discretion of the Board of Supervisors, permission be and the same is hereby denied Edward P. Levy, to erect and maintain a public garage in premises at northwest corner of Sutter and Steiner streets.

Privilege of the Floor.

L. E. Prescott, representing Edward P. Levy, was granted the privilege of the floor and addressed the Board, requesting postponement of action in above resolution.

Adopted.

Whereupon, the question being taken the above resolution was adopted as Resolution No. 8020 (New Series), by the following vote:

Ayes—Supervisors Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—15.

Relative to the Calling of a Special Election For the Selection of an Exposition Site.

The following matters were presented and read by the Clerk:

Communication—From the Haight and Ashbury District Improvement Club, requesting hearing for its Committee on Monday, June 26, 1911, in the matter of calling a special election for the selection by the People of a

site for the Panama-Pacific International Exposition.

Petition—From Daniel O'Connell and others, to submit the proposition of the location of the exposition to the voters of the City and County of San Francisco, for directions as to how the people's money should be expended for the promotion of the World's Fair.

Privilege of the Floor.

William Fahey, president of the Haight and Ashbury District Improvement Club, was granted the privilege of the floor and addressed the Board, stated that the people voted for the Park as the site for the exposition but that there was danger that people would be euchred out of their rights by the directors of the Exposition Company. He requested that the selection of the site be left to decision of the People by the holding of a special election for that purpose.

W. H. Morrissey, representing the Haight and Ashbury Heights District Imp. Co., also addressed the Board, complaining of the delay in the selection of the site. He requested that the selection of the site be left to popular opinion. He believed that many loyal citizens would volunteer to serve on the election board and thereby reduce the cost of a special election.

Hugo Scheunert also addressed the Board, stating that the subscriptions were made by the people with the understanding that the Exposition would be put in the Park. He requested that a special election be called for the purpose of giving the people an opportunity to express themselves as to the site for the proposed Exposition.

C. S. Hannum, president of the Oceanside Club, was granted the privilege of the floor and addressed the Board, stating that during his recent travels in the East it was generally understood that the Exposition was to be placed in Golden Gate Park. He declared that the people were induced to vote for the bonds on the promise that the Park site would be selected. He requested that the question of the site be submitted to the people for decision.

Daniel O'Brien, *Daniel O'Connell* and *Jas. Reed Watson* also addressed the Board to the same effect and requested that the matter of the selection of the site be submitted to the people for decision.

George Skaller, representing the Harbor View District, also addressed the Board, stating that the people of North Beach and Golden Gate Valley and other sections in that vicinity had as much claim on the administration as the residents of the park districts. He declared that no one questioned the

judgment and integrity of the directors of the Exposition Company, and that they should not be interfered with in the selection of a site. He deprecated the spirit of discontent that was being manifested over the action of the directors of the Exposition Company.

Motion.

Supervisor Kelly moved the appointment of a special committee of five to consider the question of submitting the question of the selection of an exposition site to the people at a special election.

Motion carried.

Resolution.

Whereupon, Supervisor Nelson introduced the following resolution, which was on his motion ordered referred to the special committee above provided for:

Be it Resolved, That a special election be called to submit to the people the question where the Panama-Pacific Exposition site should be located.

Appointment of Committee.

Whereupon, his Honor, the Mayor, announced that the following Supervisors would act on said special committee:

Supervisors Loughery, Kelly, Nolan, Murdock, Cutten—5.

Further Resolved, That the contract for said supplies be and is hereby awarded to the next lowest bidder therefor.

Ayes—Supervisors Bancroft, Deasy, Hayden, Healy, Herget, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Walsh—14.

Award of Contract, Books.

On motion of Supervisor Minehan: Resolution No. 8093 (New Series), as follows: Awarding contract for furnishing books to various offices and departments of city and county for ensuing fiscal year.

Ayes—Supervisors Bancroft, Deasy, Hayden, Healy, Herget, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Walsh—14.

Install Home Telephone Service.

On motion of Supervisor Nelson: Resolution No. 8094 (New Series) as follows:

Resolved, That the Bay Cities Home Telephone Company be and is hereby requested to install a telephone in the residence of Battalion Chief Charles Murray, of the Fire Department, No. 2268 Fifteenth street.

Ayes—Supervisors Bancroft, Deasy, Hayden, Healy, Herget, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Walsh—14.

Install Pacific Telephone Service.

Also, Resolution No. 8095 (New Series), as follows:

Resolved, That the Pacific Telephone and Telegraph Company be and is hereby requested to install a telephone in the residence of Battalion Chief Charles Murray, of the Fire Department, No. 2268 Fifteenth street.

Ayes—Supervisors Bancroft, Deasy, Hayden, Healy, Herget, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Walsh—14.

Passed for Printing.

The following matters were *passed for printing*:

Ordering Sewer Work.

On motion of Supervisor Nolan: Bill No. 1808, Ordinance No. — (New Series), entitled, "Ordering the construction of sewers and appurtenances in Glen Park Extension; approving and adopting plans and specifications therefor, and authorizing the Board of Public Works to enter into contract for doing of said work at an estimated cost of twenty-five hundred (\$2500.00) dollars, out of the proceeds of sale of Sewer Bonds, issue of 1904, for the doing of said work, and authorizing progressive payments therefor to be made in the manner set forth in the specifications for said work."

Spur Track Permit, Crescent Feather Company.

Also, Bill No. 1809, Ordinance No. — (New Series), entitled, "Granting permission, revocable at will of the Board of Supervisors, to the Crescent Feather Company to construct, maintain and operate a spur track from a point on Harrison street, near the northerly line of Nineteenth street; thence in a southerly direction with a

curve to the left into the property of the Crescent Feather Company, at a point on the easterly line of Harrison street one hundred and thirty (130) feet, more or less, southerly from the southerly line of Nineteenth street."

Establishing Grades, San Bruno Avenue.

Also, Bill No. 1810, Ordinance No. — (New Series), entitled, "Establishing grades at certain points on San Bruno avenue, between Woolsey street and Railroad avenue."

Changing and Establishing Grades, Certain Streets.

Also, Bill No. 1811, Ordinance No. — (New Series), entitled, "Changing and re-establishing the official grades on Nineteenth street, on Sanchez street, and on Noe street."

Full Acceptance, Lake Street.

Also, Bill No. 1812, Ordinance No. — (New Series), entitled, "Providing for full acceptance of the roadway of Lake street, between Fifteenth and Sixteenth avenues."

Conditional Acceptance, Certain Streets.

Also, Bill No. 1813, Ordinance No. — (New Series), entitled, "Providing for conditional acceptance of the roadway of Clement street, between Fourteenth and Fifteenth avenues; Ramona street, between Fourteenth and Fifteenth streets; Eleventh avenue, between Anza and Balboa streets; crossing of Clement street and Fourteenth avenue; crossing of Fifteenth avenue and Lake street; crossing of Fourteenth avenue and Lake street."

Extensions of Time.

Also, Resolution No. — (New Series), Granting the City Street Improvement Company an extension of sixty days' time from and after June 20, 1911, within which to complete contract for curbing and paving on Twenty-first avenue, between Clement and Geary streets under public contract.

This extension of time is granted upon the recommendation of the Board of Public Works, for the reason that delays have occurred in procuring material.

Also, Resolution No. — (New Series), Granting the Healy-Tibbitts Construction Company an extension of sixty days' time from and after June 23, 1911, within which to complete contract for the construction of Section "A" of the North Point main sewer.

This extension of time is granted upon the recommendation of the Board of Public Works, for the reason that the contractor has been delayed because the outfall of this sewer, through the seawall at The Embarcadero can only be constructed at low tide.

Further Resolved, That the clause in the specifications relating to a penalty of \$25.00 per day, be waived.

Adopted.

The following Resolution was adopted:

Providing for the Purchase of Cherry Creek Properties.

On motion of Supervisor Herget: Resolution No. 8099 (New Series). as follows:

Whereas, Under Resolution No. 7528 (New Series), the Public Utilities Committee of this Board was authorized and directed to take up the option now held by the City on the Cherry Creek lands and rights and to have prepared and submit to this Board a contract of sale of said properties by the Tuolumne Water Supply Company to the City and County of San Francisco, and

Whereas, The said Public Utilities Committee has arranged with said Tuolumne Water Supply Company for the purchase and sale of said properties by the purchase on behalf of the said Tuolumne Water Supply Company of a sufficient number of the Water Bonds now offered for sale by the Treasurer of this City and County, and

Whereas, It is impossible, under the terms of the Charter, for the said Public Utilities Committee to enter into a valid contract, as contemplated by said Resolution, until sufficient moneys to carry out the terms of said contract are in the Treasury and in a condition to be devoted to such purposes, and that by reason thereof it is greatly to the interest of the City and County of San Francisco that such a contract be not entered into, but that in lieu thereof a deed conveying all of said properties and rights to the City and County be accepted by the City and County upon the payment of the full purchase price thereof.

Now Therefore be it Resolved, That said Resolution No. 7528 (New Series), be and the same is hereby rescinded, and

Be it further Resolved, That the Mayor of this City and County be and he hereby is authorized to accept a deed from the said Tuolumne Water Supply Company conveying to the City and County of San Francisco all of the said lands, properties and rights for the full purchase price of six hundred and fifty-two thousand (\$652,000) dollars, as follows:

For the lands, properties and rights	\$600,000
Interest upon \$600,000 from date of option as provided for in said option.....	36,000
Moneys expended by the	

Tuolumne Water Supply Co.
in protection and develop-
ment of its lands, properties
and rights 16,000

Total \$652,000

And be it further Resolved, That an expenditure of six hundred and fifty-two thousand (\$652,000) dollars is hereby authorized to be made out of the Bond Issue of July 1, 1910, in payment to the said Tuolumne Water Supply Company for the said lands, properties and rights known as the Cherry Creek properties.

Relative to Petition of Little Sisters of the Poor for Relief from Taxation.

A petition of the Little Sisters of the Poor, heretofore filed with the Board, requesting that their institution, the Home for the Aged and Infirm, be released from taxation, inasmuch as said institution was saving the City upwards of \$20,000 yearly by caring for the public charges accommodated in said institution, was taken up.

Privilege of the Floor.

Rev. Phillip O'Ryan, representing the Little Sisters of the Poor, was granted the privilege of the floor and addressed the Board, stating that the only way the Sisters had of obtaining money was from begging. According to the rules of their order they were not permitted to accept even annuities. He declared that the taxes last year amounted to about \$800, all of which had to be obtained by begging; that the institution was non-sectarian, and inasmuch as the Sisters were performing a great public service and saving a large sum of money to the City by caring for these public charges, the least that could be done by the City was to remit their taxes.

Rev. Father Murphy, Chaplain of the Home, also addressed the Board to the same effect.

Matter taken under advisement and petitioners requested to make formal application for correction of assessment.

ADJOURNMENT.

There being no further business, the Board at the hour of 2 p. m. adjourned.
W. R. HAGERTY, Clerk.

Blasting Permit.

Resolution No. — (New Series), granting Abel Hosmer permission, revocable at will of the Board of Supervisors, to explode blasts in premises on the south side of Fifteenth street, extending from Potrero avenue to Utah street, for excavation purposes; provided that said Abel Hosmer shall execute and file a good and sufficient bond in the sum of three thousand (\$3000.00) dollars, as fixed by the Board of Public Works June 30, 1911, and approved by his Honor the Mayor, in accordance with Ordinance No. 1204; provided, also, that said blasts shall be exploded only between the hours of 7:00 a. m. and 6:00 p. m., and that the work of blasting shall be performed to the satisfaction and under the supervision of the Board of Public Works, and if any of the conditions of this Resolution be violated by the said Abel Hosmer, then the privilege and all rights accruing thereunder shall immediately become null and void.

Referred.

The following Bill was introduced by Supervisor Nolan, and on his motion ordered *referred to Building Laws Committee*:

Providing for Elevator Inspection Bureau.

Bill No. 1820, Ordinance No. — (New Series), entitled, "An ordinance to create a bureau of elevator inspectors under the supervision of the Board of Public Works; to provide the number of and duties of the inspectors; to regulate the operation of elevators; to fix a fee for such inspection and regulation, and to provide a penalty for the violation thereof."

Adopted.

The following Resolution was introduced under suspension of the rules and *adopted by the following vote*:

Relative to Calling of a Special Election for the Selection of a Site for the Panama-Pacific International Exposition.

On motion of Supervisor Nolan:
Resolution No. 8112 (New Series),
as follows:

Whereas, The Board of Supervisors did, by Resolution No. 7788 (New Series), approved May 11, 1911, urge upon the directors of the Panama Pacific International Exposition Company to fix upon a site for the Exposition without further delay; and

Whereas, Said site has not yet been determined upon; and

Whereas, The delay in settling upon the Fair site is detrimental to business and prevents the employment of a number of men who might be put to work upon the construction gangs for the preparation for said Fair; now, therefore, be it

Resolved, That this Board, in reiterating its position, as expressed in said Resolution, calls the attention of the Board of Directors of the Panama Pacific International Exposition Company to the large number of unemployed at present in this City and County, and the extreme necessity that exists for providing immediate employment for as many as possible of these men, and urges upon said Board of Directors to select, within the least possible time, a site for the Exposition. The suggestion is hereby conveyed to the Board of Directors of the Panama Pacific International Exposition Company that, in the event of said Board finding it impossible to select a site by August 1, 1911, it should submit the question to the people for an expres-

sion of opinion as to where the Fair should be located.

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Kelly, Loughery, Minehan, Nelson, Nolan, O'Dowd, Pugh, Walsh—14.

Referred.

The following Bill was introduced by Supervisor Pugh, and on motion ordered referred to the Finance Committee:

Providing for Increase of Salary of Expert Accountant of Tax Collector.

Bill No. 1821, Ordinance No. — (New Series), entitled, "Amending Section I of Ordinance No. 611 (New Series), entitled, 'Authorizing the appointment by the Tax Collector of an expert accountant from the Civil Service list of deputies for the Tax Collector's office, and fixing his compensation,' approved, San Francisco, Nov. 5, 1908, to provide for an increase in the salary of said expert accountant to \$200 per month."

Relative to Licensing of Fortune Tellers.

Supervisor Cutten called attention to the fact that spiritualists, fortune-tellers and seers, etc., were practicing their profession without the payment of a license fee, and requested that the matter be looked into.

Ordered referred to Licenses and Judiciary Committee.

ADJOURNMENT.

There being no further business, the Board, on motion of Supervisor Nolan, adjourned to meet Friday morning, at ten o'clock, to consider applications for reduction of assessment.

W. R. HAGERTY, Clerk.

Approved by the Board of Supervisors July 17, 1911.

Relative to Assessment of the Properties of the Spring Valley Water Company.

J. E. McCutcheon, attorney, and John E. Behan, secretary and assistant manager, of the Spring Valley Water Company, were granted the privilege of the floor and addressed the Board requesting a reduction in the assessment of the properties of the Spring Valley Water Company. In this connection the following communication was presented and read:

Communication From Spring Valley Water Company.

July 12th, 1911.

To the Honorable the Board of Supervisors of the City and County of San Francisco:

Gentlemen—

The Spring Valley Water Company respectfully represents to your Honorable Board that the Assessor of the City and County of San Francisco assessed the properties of this company for the fiscal year beginning July 1st, 1910, as follows:

Real estate	\$ 3,065,800
Improvements	4,874,768
Personal property..	333,885
Franchise	2,500,000

making a total of \$10,774,453

After that assessment was made, an amendment to the Constitution of the State of California was adopted, conferring upon the State Board of Equalization sole and exclusive power to assess and tax franchises enjoyed by corporations and others. After the adoption of the amendment, an act was passed by the Legislature providing means for carrying the amendment into effect. Under the constitutional provision and the act of the Legislature referred to, the State Board of Equalization has, against the protest of this company, fixed and assessed the value of its franchise at \$3,619,600.

The Assessor of the City and County of San Francisco has assessed the properties of this company for the fiscal year beginning July 1st, 1911, as follows:

Real estate	\$ 3,056,000
Improvements	\$ 811,580
Improvements, City	

pipe system	6,000,000	6,811,580
Personal property		977,260

making a total of.....\$10,844,840
Before the said assessment for the fiscal year beginning July 1st, 1911, was made, this corporation filed with the Assessor a verified return showing all personal property owned by it and the value thereof, and that the value of said personal property was and is \$111,763, and no more. That the real property owned by this company in the City and County of San Francisco on the first Monday in March, 1911, and all improvements owned by it in the City and County of San Francisco on the first Monday in March, 1911, were substantially the same as the real property and improvements owned by it on the first Monday in March, 1910.

After the adoption of the constitutional amendment and the act of the Legislature, to which attention has been called, it was no longer permissible for the Assessor of the City and County of San Francisco to assess this company for a franchise. But, nevertheless, the Assessor, before making the assessment for the current fiscal year, notified this company that the spirit of the law contemplated that this company should pay a tax to the City and County of San Francisco for franchise, and that if he could not assess it for a franchise in name, he would add to the valuations of the other elements of the assessment the amount for which he had assessed the company's franchise for the preceding year. And solely and only to enable him to accomplish this purpose, he increased the assessment of the company for improvements from \$4,874,768, for the year 1910, to \$6,811,580, for the year 1911, and increased the assessment for personal property from \$333,885, for the year 1910, to \$977,260, for the year 1911, notwithstanding the fact that the sworn return of the company showed that its personal property was of the value of only \$111,763.

The Assessor has never claimed, and does not claim, that the improvements and personal property owned by this corporation are of any greater value now and were not of any greater value on the first Monday in March, 1911, than they were when the assessment for the year 1910 was made; and the increases to which attention has been called were made by the Assessor for the purpose of carrying out his declared intent to make the total assessment against the company substantially equivalent to the gross assessment for the year 1910, notwithstanding the fact

that he no longer has any power to assess the company for a franchise.

The item "City Pipe System" is assessed by the Assessor at the total cost or book value thereof, namely \$6,865,498, said assessment being divided between "Improvements \$6,000,000" and "Personal property \$865,498". No other taxpayer is assessed at the same rate or ratio for improvements owned by him, but, as is well known, the uniform practice followed by the Assessor is to assess such improvements for not to exceed 60 per cent of their actual value.

Inasmuch as the company will be compelled to pay a tax on its franchise, as assessed by the State Board of Equalization, of \$36,196, the action of the Assessor of the City and County of San Francisco, if approved by this board, will clearly and inevitably result in the company being compelled to pay a double tax upon its franchise for the reasons hereinabove stated, namely, that the Assessor of the City and County of San Francisco has, in effect, retained the amount assessed against franchise for the year 1910 by unwarrantably adding that amount to the assessment for improvements and personal property. The total tax of the company for San Francisco properties, including franchise, for the fiscal year beginning July 1st, 1910, was \$215,475. The total tax of the company this year, that is to say, for the fiscal year beginning July 1st, 1911, for San Francisco properties, including its franchise, if the assessment made by the Assessor of the City and County of San Francisco shall be allowed to stand, will be \$259,600, or a difference of \$44,125.

For the reasons herein set forth, the Spring Valley Water Company respectfully requests that the assessment against it for improvements "City Pipe System" be reduced to \$4,119,298, and that the assessment on personal property be reduced to \$111,763, both of said items being described in Volume

6, Block 294, Subdivision 1, Page 77 of the Assessment Roll of 1911-12.

Respectfully submitted,

SPRING VALLEY WATER COMPANY,

By S. P. EASTMAN,
Vice-President.

By JNO. E. BEHAN,
Secretary.

Assessor Washington Dodge was granted the privilege of the floor and addressed the Board, stating that he would like a little time to look over his figures before reply to above.

Whereupon the above matter was, on motion, taken under advisement.

ADJOURNMENT.

There being no further business the Board adjourned to Saturday morning July 15, 1911, at the hour of 9:30 o'clock a. m.

W. R. HAGERTY, Clerk.

**Relative to Jos. Musto Estate Company's
Assessment.**

Clarence E. Musto, representing Jos. Musto Estate Company, appeared in answer to summons to show cause why assessment of said estate on property on Battery street, near Broadway, should not be increased. He stated that there was a difference in the cost of construction of building of F. K. Frink and that was reason latter's property was assessed at a higher figure.

Whereupon, on motion duly made and seconded, assessment of Jos. Musto Estate Company was *allowed to stand as fixed by Assessor.*

ADJOURNMENT.

There being no further business the Board, at the hour of 11:35 o'clock p. m., adjourned to meet Monday, July 17, 1911, at 9:30 o'clock a. m., to resume its sitting as a Board of Equalization.

W. R. HAGERTY, Clerk.

MONDAY, JULY 17, 1911.

In Board of Supervisors, San Francisco, Cal., Friday, July 7, 1911, 9:30 a. m.

The Board of Supervisors met pursuant to adjournment, for the purpose of hearing all applicants who had filed sworn applications for corrections of assessments on the Assessment Books of Real and Personal Property for the fiscal year 1911-12.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Cutten, Deasy, Hayden, Healy, Kelly, Loughery, Minehan, Murdock, Nolan, O'Dowd, Walsh—11.

Quorum present.

Supervisor Walsh presiding.

Consideration of Applications for Reduction of Assessments.

Hearing in Matter of Petition of Spring
Valley Water Company for Reduction of
Assessment.

The following communication from
the Assessor was received, read, and
on motion, ordered spread on the min-
utes of the Board of Equalization:

Report of Assessor.

Office of the City and County Assessor.
San Francisco, July 17, 1911.

To the Honorable County Board of
Equalization:
Gentlemen—

In reply to the application of the
Spring Valley Water Co., and to the
argument made by its counsel, before
your board in support thereof, I desire
to submit the following statement:

I agree with the company in some
of its contentions, the first being that
whatever the total tax paid by the com-
pany amounts to, it should be allowed
this full amount in return, as the law
provides, when the water rates are
fixed in February. This allowance
should be an actual allowance, in ad-
dition to all operating expenses, fixed
charges, and interest on a fair valua-
tion of the company's property. If
the company's taxes for 1911-12 are in
excess of the amount that was allowed
the company for this purpose, when
rates were fixed in February last, by
your honorable board, two courses
would now appear to be open to you.
First, to adjust the assessment made
by me, to correspond with the taxes
allowed the company for this year; or
secondly, to allow to the company, when
rates are again fixed in February next,
the sum actually paid as taxes, by the
company, on this year's assessment. As
the taxes on this assessment are paid
in two installments, one in November
of this year, and the other not until
April, 1912, it would not seem to be a
hardship on the company, if the second
plan were followed. This is the system

that the State now employs in taxing corporations. That is, it gives credit to the corporation for the amount paid as taxes on the assessment of the previous year.

I also agree with the company in its contention that both the State Board of Equalization and myself, have taxed elements of intangible value. The State board has assessed intangible values in its assessment of the company's franchise for \$3,600,000. I have, in fixing the value of the city-distributing system, taken into consideration intangible elements of value. The attorney for the company asserts that both assessments cover the *same* intangible values, and the company has applied to both the State board and to your honorable board for a reduction of each of these assessments. The State board has denied the company any reduction of its assessment of the company's franchise.

I, however, do *not* agree with the contention of the attorney for the company, that I have assessed either directly or indirectly intangible values, which I am forbidden to assess under the new State revenue laws, which laws deny to the Assessor the right to assess franchises. It is my contention that as Assessor I have assessed only those intangible values that should be locally assessed, and the revenues therefrom retained by the city.

Intangible values are classed under the heads: (1) Franchise; (2), going business, and (3) unit value, or the value of the plant as a whole, over the value of its individual or component parts. I have not assessed any *franchise* value either directly or indirectly, as I understand the term. I have, however, taken into consideration the other elements of intangible value in making my assessment.

In making this distinction I am but following the ideas and conclusions of Mr. Adams, an expert who testified as a witness for the water company in its litigation with the city over water rates, now pending in the Federal courts. His views on this subject seem to me most clear and conclusive. Both he and Mr. Grunsky, the latter a witness for the city, testified that the only thing that gives a value to such a *franchise* is the power of the company to earn an income, in excess of current rates of interest. As to the other elements of intangible value, these Mr. Adams states represent a *real asset*, standing in a class by itself. To use his words, "to term it franchise seems a misnomer, since it represents real value *wholly independent of the franchise*". He states the case clearly as follows: "The fact that a property possessed of, and actually doing a large business, capable of affording a sufficient revenue, is worth more than a similar property without such business,

has sometimes been termed franchise value. This while doubtless a large asset is better classed as 'established business'. I am therefore of the opinion that the first before-mentioned view of what constitutes franchise value is the correct one; that every other element of real value is more properly classified otherwise, and that under the system of regulation of rates by the State, no value need attach to franchise either for purposes of taxation or revenue. The franchise I do not regard as having value, save as it is *included* in the element of established business, or in cost of a substitutional water supply."

The above evidence, concurred in by other witnesses of the water company, was given in the litigation with the city, in order that the company might establish the values which I am now taking into consideration, in fixing the assessment of the company's property. This intangible value other than franchise value amounted, according to the experts who testified for the company, to over \$5,000,000.

The Assessor, under the law, must tax such value. Whether such values must be taken into consideration by your board for rate-fixing purposes, is a question the city now has at issue with the water company in the United States courts. The company contends the city must allow them water rates on these intangible values. But no matter how the courts may decide the question, the company is protected by the law, as far as the assessment of these values is concerned, for the water consumers are compelled to refund to the company all taxes paid on the assessment of such values.

The above statement, I trust, makes my position clear. It is not true, as stated in the communication of the company to your board, that I "*notified*" the company that "the spirit of the law contemplated that this company should pay a tax to the city of San Francisco for *franchise*, and that if he (the Assessor) could not assess it for a franchise in name, he would add to the valuations of the other elements of the assessment, the amount for which he had assessed the company's franchise for the preceding year". The official of the company to whom this statement was made, probably *thought* that he correctly reported what I said, and his report is undoubtedly true, to the best of his recollection of the conversation and his understanding of the subject.

What I *did* say was, that the law intended the company's intangible values to be taxed, and as I could not designate these as I had previously, under the general term *franchise*. I had assessed such values by assessing them as an element of value in improvements.

The Assessor is, by law, given wide latitude in attaching such values. Our own Supreme Court has decided that the Assessor has a perfect right to exercise liberal judgment in the case of value of all real property, including improvements. The court held that bearing in view the value of the "entire property", it was for him to exercise discretion, as to how this value should be distributed, whether on land or improvements.

In conclusion, I desire to make a personal statement, as the company's statement has become an official record. The statement is made in the company's application, signed by Mr. Eastman and Mr. Behan, that what I have been quoted as saying, was in the nature of a "notice" to the company, given *before* my assessment was made, that I intended to assess certain values. This is not true. What I said regarding my assessment, was said in answer to a direct question, asked me by Mr. Behan, as to the amount of the company's assessment, he having called at my office to get this information. The conversation was in the presence of two of my deputies called by me to hear the same. Mr. Behan stated that his reason for asking for this information, was that he might use the same in protesting the assessment of the company's franchise before the State board, this assessment having been made prior to his call upon me. In giving him the information I distinctly told him that I did so contrary to my practice, solely in order that his company might not lose any of its rights before the State board. This conversation with Mr. Behan was had only a few days before the rolls were turned over to your board by me, and was the only one held on the subject. Two weeks or more before this, I had officially notified the State Board of Equalization that I was going to assess these intangible values, and that I would value them at a sum approximating what I had assessed them for the previous year. In view of these facts, I protest against the version given in the company's petition, and desire to place my statement on record.

Respectfully submitted,

WASHINGTON DODGE.

Assessor.

Privilege of the Floor.

John E. Behan, Secretary and Assistant Manager of the Spring Valley

Water Company, was granted the privilege of the floor, addressed the Board and said that the statement contained in the communication from the Assessor and his remarks in connection therewith were substantially correct, that if there was any statement contained in the petition of the Spring Valley Water Company to which the Assessor had taken exception there was no intent on the part of the company to have it appear that the Assessor has previously sent word to the company of the increase in assessment, but that said information was obtained personally from the Assessor for use before the Board of Equalization in protesting Spring Valley Water Company's assessment.

Motion.

Supervisor Loughery moved that the petition of the Spring Valley Water Company be denied and assessment fixed by Assessor allowed to stand.

Motion *carried*.

Adopted.

The following Resolution was adopted:

Approving Assessor's List of Clerical Errors on Assessment Roll 1911-12.

Weights and Measures Ordinance.

Stable Permits.

The following Bill *laid over* from last meeting was taken up:

Bill No. 1815, Ordinance No. — (New Series), entitled, "An ordinance relating to weights and measures, establishing the standard thereof, creating the office of Sealer of Weights and Measures, providing for the appoint-

ment of a Sealer of Weights and Measures and his deputies and fixing their compensation."

Privilege of the Floor.

F. B. Connolly, representing Retail Grocers' Association and others, was granted the privilege of the floor and addressed the Board opposing the so-called "Fee System", whereby the merchant was compelled to pay for inspection and testing of scales and measures. He declared his association opposed the system on the ground that it was an unjust tax on the merchant and inasmuch as the benefit of the ordinance would accrue to the public it should be paid for out of the public funds.

He requested the recommitment of the measure to the Police Committee in order that he might present his objections more fully and make other suggestions for the improvement of the ordinance.

Recommended.

Whereupon, on motion of Supervisor Hocks, above Bill was ordered *recommended to Police Committee*.

Stable Permits.

The following Resolution heretofore passed for printing was *taken up*:

Resolution No. — (New Series), Granting permission, revocable at will of the Board of Supervisors, and in accordance with Sections 197 and 198 of Ordinance No. 1008 (New Series), to the following named to maintain stables at the hereinafter described locations, to wit:

Mercantile Towel Supply Company, 1181 Folsom street, for three horses.

Edmond Rosenberg, 36 Rosemont street, for one horse.

M. A. Greely, north line of Geary street, 120 feet west of Twentieth avenue, for thirty-five horses.

Privilege of the Floor.

George J. Dougherty, representing the Estate of Mary Martin, was granted the privilege of the floor and protested on behalf of his client against the granting of a stable permit to the Mercantile Laundry Company at the location designated in the resolution, stating that it was understood by the adjoining property owners that the stable was to be located on the small street instead of on Folsom street. He declared that the granting of the permit would depreciate property values in the neighborhood.

J. Galland, proprietor of the Mercantile Laundry Company, also addressed the Board, stating that the stable notice was posted conspicuously for ten days as required by law and that all who were interested could clearly understand where the stable was to be located. He declared that it was his belief that the protest was spite work of Mr. Martin, the lease of whose property had been refused by the Mercantile Laundry Company for the purposes of said stable.

J. Garrity, property owner, protested against the granting of the permit on the ground that the granting of a permit for a stable at that location would depreciate property values.

P. J. Moore, representing Mrs. Carrie Clark, property owner, was also granted the privilege of the floor, and protested against the granting of the permit.

Action Deferred.

Whereupon, the above resolution was, on motion of Supervisor Walsh, *laid over one week*.

Resolutions of Condolence, Death of Su-
pervisor Harris.

On motion of Supervisor Murdock:
Resolution No. 8314 (New Series),
as follows:

The members of the Board of Super-
visors would express their sincere re-
spect for the memory of their late as-
sociate Matthew Harris Sr. A man of
sterling integrity whose qualities of
mind and heart endeared him to all
who knew him, his removal from the
scene of his activities is a distinct loss
to the community. Self-reliant, self-
respecting, with great industry and
energy he wrought out an honorable
career in life. His early years were
marked with great difficulties, patient-
ly overcome, and with hard tasks reso-
lutely performed. Success left him un-
spoiled and unhardened. He was a
sympathetic and liberal employer, al-
ways ready to do a kindness, and gen-
erous in all his intercourse with his
fellow man. He was broad-minded,
manly and strong, above small preju-
dices, and ready to co-operate with
any of his fellow men for anything
that his judgment approved as right.
As a member of the Board of Super-
visors he was anxious to do his full
part, and until declining health com-
pelled him to give up his character-
istic activity he was faithful to every
duty and especially devoted to the re-
sponsibilities resting upon him as a
member of the Building Committee.

He came to the meetings of the Board
as long as it was physically possible
and maintained his interest in munici-
pal affairs to the last. He bore his
long and trying illness with great for-
titude and was hopeful and courageous
to the end. His long and arduous life
has been characterized by honor, sin-
cerity and helpfulness. A fond and de-
voted husband and father, his do-
mestic life was spotless and singularly
happy. As a business man he estab-
lished an enviable reputation, and by
his neighbors and associates he was
held in high regard. He was the high-
est type of honorable, useful, helpful
manhood, whose memory will be ever
cherished by those who were privi-
leged to know him.

We respectfully move the adoption
of this memorial and that it be spread
upon the minutes of the Board, a copy
being transmitted to the members of
his family, and that when we adjourn
it be in memory of this good and kind-
ly man.

Ayes—Supervisors Bancroft, Cutten,
Deasy, Hayden, Healy, Herget, Hocks,
Kelly, Knowles, Loughery, Minehan,
Murdock, Nelson, Nolan, O'Dowd,
Pugh, Walsh—17.

Adopted.

The following Resolutions were introduced under suspension of the rules, and *adopted*:

Accepting Offer of H. T. Gower to Sell for \$8000 Certain Land Required as a Site for Harbor View Police Station.

On motion of Supervisor Kelly:

Resolution No. 8379 (New Series), as follows:

Whereas, An offer has been received from H. T. Gower (by Landry C. Babin & Co., agents, communication dated August 26, 1911) to convey to the City and County of San Francisco certain land in Western Addition Block No. 417, said land being required as a site for a police station; and

Whereas, The price at which said parcel of land is offered is in accordance with the appraised value thereof; therefore be it

Resolved, That the offer of H. T. Gower to convey to the City and County of San Francisco a good and sufficient fee simple title to the following described land, free of all encumbrances, for the sum of eight thousand (\$8,000.00) dollars, be and the same is hereby accepted, said land being described as follows, to-wit:

Commencing at a point on the southerly line of Greenwich street, distant thereon 68 feet 9 inches easterly from the easterly line of Scott street; running thence easterly along the said southerly line of Greenwich street 77 feet 6 inches; thence at right angles southerly 120 feet; thence at right angles westerly 77 feet 6 inches; thence at right angles northerly 120 feet to the southerly line of Greenwich street and point of commencement; being a portion of Western Addition Block No. 417.

The City Attorney is hereby directed to examine the title to the said land, and if the same is found to be vested in the aforesaid owner, free from all encumbrances, and that the taxes up to and including the current fiscal year are paid, and that the so-called McEnerney title has been procured, or sufficient money reserved for procuring the same, to report the result of his examination to the Board of Supervisors, and also to cause a good and sufficient deed for said land to be executed and delivered to the City and County upon the payment of the agreed purchase price aforesaid.

Ayes—Supervisors Bancroft, Cutten, Deasy, Gallagher, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—18.

Auditor to Cancel Assessments on Certain Property Sold to State for Non-Payment of Taxes.

On motion of Supervisor Nelson:

Also, Resolution No. 8380 (New Series), as follows:

Whereas, It appears from communication of Thomas F. Boyle, Auditor of the City and County of San Francisco, that certain property bounded and described as follows:

Commencing at a point on the northerly line of Pine street, distant 42 feet east from the easterly line of Quincy street, thence east 20 feet, thence northerly at right angles 59 feet, thence easterly 20 feet, thence southerly 59 feet, thence westerly 20 feet to point of commencement, being a portion of Fifty Vara Block No. 93,

was sold to the State of California for delinquent taxes on August 6, 1906, and since said time has been assessed for taxes; that at the time of the assessment of said land for the taxes for which it was so sold to the State, the same was exempt from taxation for the reason that it was and still is the property of the City and County of San Francisco, constituting a portion of St. Mary's Square; now therefore,

Resolved, That, upon receiving the written consent of the City Attorney so to do, the Auditor is hereby directed to cancel all assessments of said property upon all assessment rolls from 1905 to 1911 inclusive, and the Recorder is hereby directed to cancel the certificates of sale and any deed that may have been issued to the State of California for the property above described.

Stable Permit.

The following Resolution was submitted by the Hospital and Health Committee without recommendation:

Resolution No. — (New Series), Granting permission, revocable at will of the Board of Supervisors, to Koerber Coal Company, to erect and maintain a stable, at premises situate on north side of Ringold street, between Eighth and Ninth streets, in rear of 1267 Folsom street, provided same is conducted in accordance with the provisions of Ordinance No. 345 of the Board of Supervisors.

Privilege of the Floor.

Daniel O'Connell, attorney representing protestants, was granted the privilege of the floor and addressed the Board, opposing the granting of the permit. He stated that it was the same application that had been denied at a previous meeting, the only difference being that the entrance of the stable had been changed from Folsom to Ringold street.

P. L. Bannon, representing petitioner, also addressed the Board, stating he had no intention to fool the Board by changing entrance, his intention being to make the stable less objectionable.

D. McKeon and Mrs. Conroy, property owners, also protested against the granting of the permit.

Passed For Printing.

NEW BUSINESS.

Adopted.

The following Resolutions were adopted:

Auditor to Cancel Assessments and Certificate of Sale of Certain Property Belonging to City and County Sold in Error to State.

On motion of Supervisor Walsh:

Resolution No. 8519 (New Series), as follows:

Whereas, It appears from a communication of Thomas F. Boyle, Auditor of the City and County of San Francisco, that certain real property located in the City and County of San Francisco, and bounded and described as follows:

Commencing at a point on the northerly line of Pine street, distant 42 feet easterly from the easterly line of Quincy street, running thence easterly along said northerly line of Pine street 20 feet, thence running at right angles northerly 59 feet, thence at a right angle westerly 20 feet, thence at a right angle southerly 59 feet to the point of commencement; being a portion of Fifty Vara Block No. 93, was sold to the State of California for delinquent taxes on August 6th, 1906, and since said time has been assessed for taxes, and that at the time of the assessment of said land for the taxes for which it was so sold to the State the same was exempt from taxation for the reason that it was and still is the property of the City and County of San Francisco, and further that that certain property located in the City and County of San Francisco and bounded and described as follows:

Commencing at the southerly corner of Bancroft avenue and Mendell street, running thence southeasterly along said southwesterly line of Bancroft avenue 60 feet, thence at a right angle southwesterly 100 feet, thence at a right angle northwesterly 60 feet, and thence at a right angle northeasterly 100 feet to the point of commencement; being lots Nos. 59 and 60 of Block No. 496 of Bay City Homestead Association,

was sold to the State of California for delinquent taxes for the year 1910, and that at the time of the assessment of said land for taxes for which it was so sold to the State the same was exempt from taxation for the reason that it belonged, a portion thereof, to the City and County of San Francisco and that the balance thereof is a part of the right of way of the Southern Pacific Railroad Company and should have been assessed by the State Board of Equalization, and

Whereas, by virtue of the authority granted by Section 3804a of the Political Code, the City Attorney has given his written consent to the passage of this resolution and to the order contained therein, now therefore,

Resolved, That the Auditor of the City and County of San Francisco is hereby directed to cancel all assessments of the land first described in the preamble hereto upon all assessment rolls from 1905 to 1911, inclusive, and also to cancel the assessment of the land last described in the preamble hereto upon the assessment roll of 1910 and the recorder is hereby directed to cancel the certificates of sales and any deeds that may have been issued to the State of California for any of the property above described.

Ayes—Supervisors Bancroft, Cutten, Deasv, Gallagher, Hayden, Healy, Hergert, Hocks, Kelly, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—17.

Recorder to Cancel Certificate of Sale on Certain Property Sold in Error to State.

Also Resolution No. \$520 (New Series), as follows:

Whereas, the Auditor and Tax Collector, in joint communication filed September 8, 1911, certify that the second installment of taxes on the herein after described property for the year 1910 was paid May 24, 1911, but through error was not stamped "paid" on the assessment roll; that the property was sold to the People of the State of California on the 26th day of June, 1911, under certificate of sale No. 727, to-wit:

Situate on the west line of Faxon avenue 75 feet north from De Montfort avenue, thence north 25 x 100. Volume 47, Block 24, Sub. 26, Lakeview; assessed to Continental Building and Loan Association.

Resolved, That the Recorder be and is hereby directed to cancel certificate of sale No. 727 of June 26, 1911, in accordance with Section No. 3805 of the Political Code.

Ayes—Supervisors Bancroft, Cutten, Deasy, Gallagher, Hayden, Healy, Hergert, Hocks, Kelly, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—17.

Relative to Removal of Cornerstone of San Francisco Hospital.

The Public Buildings Committee presented the following report which was read by the Clerk and adopted by the following vote:

Report of Committee.

San Francisco, Calif., Sept. 25, 1911.

To the Honorable, the Board of Supervisors of the City and County of San Francisco—Gentlemen: Your Committee on Public Buildings, to which various matters were referred, begs leave respectfully to report thereon as follows, to wit:

In the matter of the resolution calling attention to the alleged removal of the cornerstone of the San Francisco Hospital, your Committee would state:

That after a thorough investigation, it was found that said cornerstone was not removed by any person connected with this administration. It was shown by testimony given by Commissioner Newsom of the Board of Public Works and M. Dunker of the City Architect's office, that said cornerstone was never properly set; was placed where a large steel beam (one of the main supports to the new building) was to occupy, and that the steel contractor had to remove it; that its presence there was unknown to the present members of the Board of Public Works until the attention of Commissioner Newsom was called to it a few weeks ago.

A communication written early in January, 1910, by Dr. R. G. Brodrick, at that time Health Officer, was read, in which request was made that the box deposited in said stone be turned over to the Board of Health. This request was granted, and your Committee is informed that said box is at present stored in a vault in the office of the Board of Health awaiting replacement.

As it will be necessary to furnish a new cornerstone, or replace the old one, your Committee recommends that said stone bear no inscription other than the name of the building and the date of its erection, and further recommends the adoption of a resolution by this Board providing that hereafter the inscription on all cornerstones placed in municipal public buildings, record nothing but the name of the building and date of its erection, unless otherwise directed by this Board.

Your Committee further recommends, that when the new cornerstone is laid that it contain all the documents heretofore placed in the original stone, together with such additional data as may be deemed requisite and proper.

Your Committee feels that the suggested course outlined in its report cannot fail to meet with your approval, as it will simplify matters and prevent complications in the future. To inscribe on a cornerstone the names of officials in office at the time it is laid might cause jealousy, as it not infrequently occurs that buildings started by one administration are completed by a succeeding administration. If any names were to be inscribed it would be but proper that both sets of officials be remembered, and in a case like the City Hall destroyed in 1906, that took more than twenty years to complete, a corner-

stone to accommodate all the names of the persons in office during the course of its construction would necessarily be of gigantic proportions.

Your Committee further feels that it is not advisable that any names should be inscribed on a cornerstone, as the building is erected with the money of the taxpayers, and no official or set of officials are entitled to any particular prominence for performing the duties they are elected to fulfill.

The attention of the Chairman of your Committee was called to the substitution of Oregon pine for kiln dried redwood for sugar pine as specified in the contract awarded to W. Bateman for interior work in the Hall of Justice building, and an investigation was commenced by you Committee. The contractor admitted that he had used Oregon pine, but claimed that it was superior to the redwood which he would have been permitted to use under the specifications. He further admitted that he had made the substitution without receiving permission from this Committee or the Board of Public Works. He contended that the wood used by him was superior to redwood, and that the City had been the gainer as the kalamein finish would hold better when applied to the pine, it being harder than redwood.

After hearing the testimony of said Bateman, your Committee requested the City Architect and Commissioner Newman to examine the work performed by said contractor and report at the next meeting of your Committee as to whether or not the wood used was sappy, but kiln dried and superior in quality as claimed by said Bateman.

Your Committee is opposed to any contractor being allowed to depart from specifications without receiving permission to do so from the proper officials, it being presumed that in the preparation of specifications by the said officials the highest grade of materials for specific purposes were carefully considered and made a part of the contract. If such course of permitting contractors to depart from the original specifications were allowed, it would practically do away with competitive bidding.

Failure to comply with specifications by contractors opens the door to abuse, and your Committee will report against the payment of Bateman's demand or the demand of any other contractor, found guilty of such procedure, if upon investigation it is found that the City has been given inferior work or material.

Regarding the communications from the Board of Public Works, recom-

mending extensions of time on the contracts of Caldwell & Co., being ninety days' time from September 17, 1911, to complete the general construction of the San Francisco Hospital;

Of Henning & Burke, thirty days' time from October 13, 1911, to complete the yard work at the Clement School; and

Of F. H. Born, ninety days' time from October 6, 1911, to complete the general construction of the Grattan School;

Your Committee feels that the number of days asked for in each instance is unnecessary, and therefore recommends that extensions in the time be made as follows:

To Caldwell & Co., thirty days instead of sixty days from and after September 17, 1911.

To Henning & Burke, thirty days from September 19, 1911, instead of dating from October 13, 1911; and

To F. H. Born, forty days instead of ninety days from October 6, 1911.

The reasons for these extensions have been unavoidable, as explained by the Board of Public Works. It is further recommended that the advertising fee for printing the resolution be remitted.

The communication from the Board of Public Works, recommending that the sum of \$23,795.00 be made available during the months of October, November and December, 1911, for repairs and maintenance of public buildings was respectfully referred to the Finance Committee of your Honorable Board.

The progress report from the Board of Public Works on the construction of public buildings was placed on file.

Respectfully submitted,

CHAS. A. NELSON,

WM. PUGH,

ANDREW J. GALLAGHER.

Absent—Supervisor Deasy—1.

Resolution.

Whereupon, the following resolution was introduced by Supervisor Nelson, and on motion of Supervisor Murdock, adopted by the following vote:

Resolution No. 8574 (New Series), as follows:

Resolved, That hereafter, in the construction of any public building by the municipality, the cornerstone shall not bear any inscription other than the name of said building and date of erection, unless otherwise authorized by the Board of Supervisors.

The attention of the Board of Public

Works is hereby called to the provisions of this resolution.

Ayes—Supervisors Bancroft, Cutten, Deasy, Gallagher, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—18.

Passed For Printing.

The following matters were *passed for printing*:

Approving Deed of Easement of Spring Valley Water Company to Certain Land for Sewer Right of Way Through Lobos Creek Property.

On motion of Supervisor Nolan:

Bill No. 1880, Ordinance No. — (New Series), entitled, "Approving and accepting a deed of easement from the Spring Valley Water Company (a corporation), to the City and County of San Francisco (a municipal corporation), of a sewer right of way through the Lobos Creek property of said Water Company, between the northerly extremities of Twenty-first and Twenty-second avenues."

Establishing Grades, Richland Avenue.

Also, Bill No. 1881, Ordinance No. — (New Series), entitled, "Establishing grades on Richland avenue."

Changing Grades, Certain Streets.

Also, Bill No. 1882, Ordinance No. — (New Series), entitled, "Changing and re-establishing the official grades on Cherry street, between Jackson street and the southerly line of Presidio Reservation."

Also, Bill No. 1883, Ordinance No. — (New Series), entitled, "Changing and re-establishing the official grades on Lincoln way, between Nineteenth and Twenty-first avenues, and on Twentieth avenue, between Lincoln way and Irving street."

Also, Bill No. 1884, Ordinance No. — (New Series), entitled, "Changing and re-establishing the official grades on Nineteenth avenue at crossing of Lake street; on Nineteenth avenue, on a line parallel with and 218 feet northerly from the northerly line of Lake street."

Also, Bill No. 1885, Ordinance No. — (New Series), entitled, "Changing and re-establishing the official grades on Parnassus avenue, between Willard street and First avenue."

Full Acceptance, Certain Streets.

Also, Bill No. 1886, Ordinance No. — (New Series), entitled, "Providing for full acceptance of the roadways of Cabrillo street, between Ninth and Tenth avenues; crossing of Dolores and Liberty streets."

Conditional Acceptance, Certain Streets.

Also, Bill No. 1887, Ordinance No. — (New Series), entitled, "Providing for conditional acceptance of the roadways of Twenty-fifth avenue, between

Geary and Clement streets; Clement street, between Thirty-first and Thirty-second avenues."

Extensions of Time.

Also, Resolution No. — (New Series), granting Flinn & Treacy an extension of ninety days' time from and after September 14, 1911, within which to complete contract for curbing and paving the crossing of Excelsior avenue and Paris street.

This extension of time is granted upon the recommendation of the Board of Public Works, for the reason that the contractor was unable to procure the necessary materials.

Also, Resolution No. — (New Series), granting Healy-Tibbitts Construction Company an extension of thirty days' time from and after August 12, 1911, within which to complete contract for construction of Section "A" of North Point Sewer.

This extension of time is granted upon the recommendation of the Board of Public Works, for the reason that the contractor was delayed by the unusual tidal conditions in that district.

Further Resolved, That the fee for advertising this Resolution be and is hereby remitted.

Also, Resolution No. — (New Series), granting Healy-Tibbitts Construction Company an extension of thirty days' time from and after August 23, 1911, within which to complete contract for the construction of Section "D" of the Yerba Buena Sewer.

This extension of time is granted upon the recommendation of the Board of Public Works, for the reason that certain sanitary sewers had to be reconstructed in order to make them water tight.

Blasting Permit.

Also, Resolution No. — (New Series), granting permission, revocable at will of the Board of Supervisors, to M. H. Squires to explode blasts for the purpose of removing boulders on Shafter avenue and Railroad avenue.

Provided that said permittee shall execute and file a good and sufficient bond in the sum of \$2,500.00, as fixed by the Board of Public Works, and approved by his Honor the Mayor, in accordance with Ordinance No. 1204 (New Series); provided also that said blasts shall be exploded only between the hours of 1 and 4 p. m. and that the work of blasting shall be performed to the satisfaction and under the supervision of the Board of Public Works, and that if any of the conditions of this Resolution be violated by the said M. H. Squires, then the privilege and all rights arising thereunder shall immediately become null and void.

Adopted.

The following Resolution was adopted:

The following Resolution heretofore recommended to the Finance Committee and returned by said Committee with the recommendation that same be *finally passed* was taken up:

Authorizing Payment of \$652,000.00 to Tuolumne Water Supply Co. as Purchase Price of Certain Lands and Rights on Cherry Creek.

Resolution No. — (New Series), Authorizing an expenditure of \$652,000.00 to be made out of the "Water Construction Fund," bond issue of July 1, 1910, in payment to the Tuolumne Water Supply Company as purchase price of lands and rights on Cherry Creek as follows, to wit:

For the lands, properties and rights	\$600,000.00
Interest upon \$600,000.00, from date of option, as provided for in said option	36,000.00
Moneys expended in protection and development of said lands, properties and rights	16,000.00

Total\$652,000.00

Privilege of the Floor.

Dr. G. W. Merritt, representing the Civic League, objected to the passage of the resolution unless the title to the lands and water rights of Cherry Creek were absolutely established, or unless the title was such that it could be readily be made good.

Dr. Julius Rosenstirn, representing the Civic League, was also granted the privilege of the floor and addressed the Board, requesting to be informed if the title to the lands and water rights were firmly established, and if data had been obtained as to the over-flow. Inasmuch as the City's option had many months yet to run, he did not see any reason for haste in paying the money at this time, as the question of the title might be settled before the option ran out. He favored the acquisition of the properties if a good title could be furnished.

J. W. O'Brien, Attorney for the Na-

tional Park Electric Power Co., also addressed the Board, contradicting a statement of City Engineer Marsden Manson to the effect that the National Park Electric Power Company had made practically no improvements and had abandoned its rights in 1908. He stated that the National Park Electric Power Company had spent \$40,000 in the construction of trails and bridges and for the making of surveys, and that he had the affidavits of the men who did the work to prove his contention. He declared further, that Hamm Hall had no water rights in Cherry Creek nor the right of way to use them if he possessed such rights. He stated that his Company had not abandoned any of the rights which it had purchased from the first appropriators and had made application at Washington for rights of way for the purpose of making use of its properties. He suggested that the City commence suit to quiet title in the Superior Court of the County of Tuolumne, making Hamm Hall and the City and County of San Francisco defendants in the case.

Jno. T. Nourse, Assistant City Attorney, stated that the permits of the National Park Electric Power Company had been revoked and Company had abandoned its rights to Cherry Creek waters. He declared that there was no application pending in any department of the Government from the National Park Electric Power Company for the use of the waters of Cherry Creek and further that the report of Mr. Herring of the Forestry Service shows that only \$2500.00 had been spent by this Company in improvements in the Cherry Creek region.

P. Healy, representing the South of Army Street Improvement Association, declared that all the argument presented to the Board of Supervisors should be presented to the Superior Court in Tuolumne county where an action to quiet title had been commenced by the National Park Electric Power Company, and requested that resolution be laid over until the question of the title had been finally settled in said Court.

J. K. Taylor, representing the South of Army Street Improvement Association, also addressed the Board, requesting that as a solution of the question, that the City Attorney be directed to file an answer to the suit brought by the National Park Electric Power Company for the purpose of quieting title to the properties in question.

Eugene Sullivan, representing the San Francisco and Blue Lakes Water & Power Company, also addressed the board, objecting to the Blue Lakes project being looked upon with derision. He declared that his proposition was the best for San Francisco and would mean the saving of millions of dollars.

Resolved, That the Bay Cities Home Telephone Company be and is hereby requested to change the present location of the telephone from the old to the new buildings of the Visitacion Valley and the Peabody schools, situate at Visitacion avenue and Schwerin street, and at Seventh avenue, between California and Clement streets.

Ayes—Supervisors Bancroft, Cutten, Deasy, Gallagher, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—18.

Install Pacific Telephone Service.

Also, Resolution No. 8656 (New Series) as follows:

Resolved, That the Pacific Telephone and Telegraph Company be and is hereby requested to install an extension telephone in the office of the Captain of Police at the Ingleside Police Station, and also to change the location of the telephone at present in the old school buildings of the Visitacion Valley and Peabody schools, vacated, to the new buildings at Visitacion avenue and Schwerin street, and at Seventh avenue, between California and Clement streets.

Ayes—Supervisors Bancroft, Cutten, Deasy, Gallagher, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—18.

Passed for Printing.

The following matters were *passed for printing*:

Extension of Time.

On motion of Supervisor Pugh:

Resolution No. — (New Series), Granting the Judson Manufacturing Company an extension of ninety days' time from and after October 23, 1911, within which to complete its contract for the furnishing and delivering of spikes for the Geary Street Municipal Railroad.

Fixing Width of Sidewalks on Precita Avenue.

On motion of Supervisor Nolan:

Bill No. 1896, Ordinance No. — (New Series), entitled, "Amending Ordinance No. 1061, entitled, 'Regulating the width of sidewalks,' approved December 18, 1903, by adding thereto a new section to be numbered four hundred and forty-eight, the provisions of which fix the width of sidewalks on Precita avenue, between Alabama and York streets, at twelve feet."

Ordering Street Work.

Also, Bill No. 1897, Ordinance No.

—, entitled, "Ordering the performance of certain street work to be done in the City and County of San Francisco, approving and adopting specifications therefor and authorizing the Board of Public Works to enter into contract for doing the same, the provisions of which order the construction of 12 and 15-inch ironstone pipe sewers with appurtenances on De Haro street, between the southerly line of Fifteenth street and Alameda street.

Extension of Time.

Also, Resolution No. — (New Series), Granting Healy-Tibbitts Construction Company an extension of ninety days' time from and after August 26, 1911, within which to complete contract for the construction of Section "C" of the Division Street Sewer.

This extension of time is recommended by the Board of Public Works, for the reason that the Southern Pacific Company maintained passenger and freight traffic over a track on the right of way of the sewer up to a few weeks ago, which made it impracticable to proceed with the work.

Blasting Permit.

Also, Resolution No. — (New Series), Granting the Daniel Construction Company permission, revocable at will of the Board of Supervisors, to explode blasts in Treat avenue, between Sixteenth and Eighteenth streets, for the purpose of expediting work on contract for sewers and appurtenances in Section G of the North Point Main Contract No. 45, provided that said permittee shall execute and file a good and sufficient bond in the sum of twenty thousand (\$20,000.00) dollars, as fixed by the Board of Public Works and approved by his Honor the Mayor, in accordance with Ordinance No. 1204; provided, also, that said blasts shall be exploded only between the hours of 7 a. m. and 6 p. m., and that the work of blasting shall be performed to the satisfaction and under the supervision of the Board of Public Works, and if any of the conditions of this Resolution be violated by the said above named corporation, then the privilege and all rights accruing thereunder shall immediately become null and void.

Adopted.

The following Resolutions were adopted:

Intention to Change Grade.

On motion of Supervisor Nolan:

Resolution No. 8657 (New Series), Declaring it to be the intention of the Board of Supervisors to change and establish grades at certain points and elevations on Castro street, between the northerly line of Henry street and Fifteenth street, and on Henry street between Noe street and the westerly line of Castro street, in accordance with

recommendation of the Board of Public Works filed September 29, 1911, and directing said Board of Public Works to cause to be conspicuously posted along the street or streets upon which proposed change of grade is contemplated a notice of the passage of this Resolution of Intention.

Ayes—Supervisors Bancroft, Cutten, Deasy, Gallagher, Hayden, Healy, Hergert, Hooks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—18.

Also, Resolution No. 8658 (New Series), Declaring it to be the intention of the Board of Supervisors to change and establish grades at certain points and elevations on Seventeenth avenue, for a distance of 245 feet northerly from Lake street, in accordance with recommendation of the Board of Public Works filed September 29, 1911, and directing said Board of Public Works to cause to be conspicuously posted along the street or streets upon which proposed change of grade is contemplated a notice of the passage of this resolution of intention.

Ayes—Supervisors Bancroft, Cutten, Deasy, Gallagher, Hayden, Healy, Hergert, Hooks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—18.

Urging Construction of State Highway Between San Francisco and San Jose.

Also, Resolution No. 8659 (New Series), as follows:

Whereas, the people of the State of California have authorized a bond issue of \$18,000,000 for the construction of a system of two great highways extending from the northern to the southern boundary of the State, said highways to be constructed under the supervision of the Board of Highway Commissioners; and

Whereas, the bill creating said bond issue contemplates the construction of a highway through the coast counties, connecting the various county seats; and

Whereas, the construction of a state highway connecting San Francisco and San Jose would not only conform to the requirements of the law creating the bond issue, but would directly benefit the greatest number of people; and

Whereas, it is the sense of this Board that a state highway should be at once constructed connecting the city of San Francisco, the metropolis of the State of California, with Redwood City, the county seat of San Mateo county, and with San Jose, the county seat of Santa Clara county, thus traversing the most populous district of the State of California; and

Whereas, it is the sense of this Board that said highway should be constructed of bitumen at least twenty-five feet wide in the center, with macadam upon

either side and that said highway between said cities should traverse as nearly as possible what is known as El Camino Real; now therefore be it

Resolved, That this Board recommend and urge upon the Highway Commissioners the immediate construction of a state highway between San Francisco and San Jose, said highway to follow as nearly as possible what is known as El Camino Real as aforesaid, and to be bituminized at least twenty-five feet in the center and macadamized on either side thereof; and be it further

Resolved, That a copy of this resolution be forwarded to the Honorable Highway Commissioners of the State of California and the Board of Public Works of the City and County of San Francisco.

Ayes—Supervisors Bancroft, Cutten, Deasy, Gallagher, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—18.

The following resolutions were introduced under suspension of the rules and adopted:

City Attorney to Advise as to Legality of Using Proceeds of Hetch Hetchy Bonds for Purpose of Laying Pipe for Extension of Water Service in Excelsior Homestead District.

On motion of Supervisor Nelson:

Resolution No. 8660 (New Series), as follows:

Resolved, That the City Attorney be and he is hereby requested to furnish this Board with his opinion as to the legality of expending money out of the Hetch Hetchy Water Supply bonds, to lay pipes and mains in the University Mound District for the purpose of supplying the inhabitants of said district with water to be purchased at meter rates from the Spring Valley Water Company; and be it

Further resolved, That the City Engineer be and he is hereby requested to furnish estimates of the cost of laying said pipes.

Relative to Chronicle Criticism of Purchase of Ham Hall Properties at Cherry Creek.

The following communications were presented by Supervisor Kelly and read by the Clerk:

Letter From City Attorney.

October 6, 1911.

Hon. J. A. Kelly.

Board of Supervisors.

Dear Sir—I am in receipt of your letter of October 5th asking me to state my position in the matter of the purchase of the Cherry Creek lands and water rights offered to the city for purchase by W. Ham Hall.

In reply I have to say that I believe the purchase of these lands and rights of way to be necessary to the full and complete development and enjoyment of the Tuolumne water project which the voters of San Francisco have decided upon as a source of water supply. Negotiations for this purchase have been

under way for many months and purchase has been delayed on account of lack of information concerning some alleged adverse claims.

The City Attorney has made an exhaustive examination and has reported an apparent cloud upon the title to a small portion of the water rights. The claimant to these water rights has neither storage reservoirs nor canal rights of way, nor has it apparently complied with the laws of this State in the matter of the utilization of water sought to be appropriated.

It would be impossible to advise positively that the claimants have no right until the matter is settled by judicial decree. However, I am satisfied that the value of the claim can easily be ascertained by competent engineers.

The City Engineer has advised the City Attorney and also the Board of Supervisors that fifty thousand (\$50,000) dollars is more than ample to cover the value of any rights which might be decreed to belong to the claimants. I have no doubt that such is the case, and were I a member of your Board should be guided by the opinion of the City Engineer. As I said at the outset, I believe the purchase to be necessary, and I have no reason to believe the price unreasonable.

I have had no reason to believe that there has been anything corrupt or unwise in any of the transactions leading up to the consummation of this purchase. I believe the rights should be acquired now, and were I a member of your Board and acting solely upon my own responsibility would not hesitate to vote for the purchase.

Very truly yours,
PERCY V. LONG.

Letter from City Engineer.

San Francisco, Oct. 6, 1911.

Hon. John Kelly,
Supervisors, San Francisco.

My Dear Sir—My attention has been called to an editorial in the "Chronicle" of yesterday regarding the purchase of the Cherry Creek lands and rights. In accordance with your request I have the following to present regarding this editorial.

The article is so manifestly false and written for the purpose of misrepresenting the facts that I do not regard it worthy of notice and suggest this as the most appropriate treatment.

In the opening paragraph it is stated that the \$652,000 is paid for property, whose ownership is now in suit in the court of Tuolumne county. Not one acre of the property of 960 acres is involved, the suit applying only to an inchoate right and which suit the City Attorney openly stated was apparently brought in bad faith. The statement that it is unnecessary to pay any money now for the option does not take into

consideration the additional money that will have to be paid if the option is not now closed and is erroneous as to the dates on which the option expires; this additional payment for the extension of the option would be largely spent for rights of no value to the city.

The City and County Attorney has advised the Supervisors that the alleged cloud to the title appertains to the water claim and not to the property, and that the suit will probably never come to trial. Even if thrown out of court some excuse for bringing another suit may at once be raised by the interests that are opposing the ownership and development by the city of an auxiliary water supply from the Sierra.

The decision of the Secretary of the Interior as to rights owned by the city in Hetch Hetchy Reservoir, which is within the Park boundaries, has nothing whatever to do with the purchase by the city of valuable properties and rights outside of the Park, and these properties and rights can be developed by the city to great advantage on entirely independent lines from the rights and properties which the city owns in the adjoining National Park. The Cherry Creek lands and rights are essential to the carrying out of the provisions of the grant of May 11, 1908, and are capable of a further and independent development by the city.

The right to receive and to pay this money is optional with the city at any time during the life of the option and the statement that the payment is made six months before there is any right to claim it is erroneous.

The \$50,000 bonds which it is proposed to leave in the City Treasury is not a guarantee for the rights and properties represented by the \$652,000 payment, but a guarantee against any adverse decision that may be rendered in favor of the National Park Electric Company to rights which have been shown by the records to have been formally abandoned.

The statement that there is not a business man in this city who would pay a dollar for the property is exactly contrary to that made by the Assistant City Attorney, Mr. Nourse, who stated that if this was a transaction calling for action by a private corporation, it would have been closed long ago.

The references and insinuations regarding some "profound secret" are too silly to require reply.

Respectfully yours,
MARSDEN MANSON,
City Engineer.

Adopted.

Whereupon the following resolution was introduced under suspension of the rules and adopted:

Relative to Chronicle Criticism in the Matter of the Purchase of the Ham Hall Properties in Cherry Creek.

On motion of Supervisor Kelly:

Resolution No. 8661 (New Series), as follows:

Whereas, statements have been made in the San Francisco Chronicle to the effect that the purchase of the so-called "Cherry Creek lands and water rights," and further described as the "Ham Hall properties," by the Board of Supervisors, is unwise and unbusinesslike and has been prompted by dishonest motives and contrary to the advice of the City Attorney; and,

Whereas, communications have this day been received and read from City Attorney Percy V. Long and City Engineer Marsden Manson, stating that such purchase was a desirable one to

consummate, and strongly advocating the same; therefore,

Resolved, That said communications be entered in full on the Journal of Proceedings and published in the Municipal Record, and that copies thereof be transmitted to the daily newspapers, with the request that they be published in full.

Ayes—Supervisors Bancroft, Cutton, Deasy, Gallagher, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—18.

ADJOURNMENT.

There being no further business, the Board at the hour of 4:30 o'clock p. m. adjourned.

W. R. HAGERTY, Clerk.

Approved by the Board of Supervisors October 16, 1911.

Pursuant to Resolution No. 3402 (New Series), of the Board of Supervisors of the City and County of San Francisco, I, Wm. R. Hagerty, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the dates thereon stated, and approved as above recited.

The Board of Supervisors met in regular session.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Ayes—Supervisors Bancroft, Cutten, Deasy, Gallagher, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—18.

Quorum present.

His Honor Mayor McCarthy presiding.

READING THE JOURNAL.

The Journal of the meeting of October 9, 1911, was read and approved.

ROLL CALL FOR PETITIONS FROM MEMBERS.

Requisition From Fire Department For Large City Map.

The Clerk presented:

Communication—From Fire Department, with requisition for one copy of large City map prepared by the Assessor's office.

Ordered referred to *Printing Committee*.

Request of Park Commissioners For an Appropriation For Certain Improvements in Public Parks.

Also, *Communication*—From Board of Park Commissioners, requesting appropriation for improvement of park system in this City.

Ordered referred to *Streets Committee*.

Relative to Ordinance Providing Seats for Motormen.

Also, *Petition*—From Amalgamated Association of Street and Electric Railway Employees of America, for the passage of an ordinance providing for seats for motormen.

Ordered referred to *Public Utilities Committee*.

Protest Against Garage on Arguello Boulevard.

Also, *Protest*—Of Harold E. Cherry and other members of St. John's Presbyterian Church, against granting permit for a garage on Arguello Boule-

vard, between California and Lake streets.

Ordered referred to the *Fire Committee*.

Relative to Cost of Moving Picture Film of San Francisco Scenes.

Supervisor Bancroft presented:

Communication—From Miles Bros., Inc., advising that it will make one finished print from 8,000 to 10,000 feet of negative of scenes of San Francisco and vicinity at the rate of 30 per cent per running foot.

Ordered referred to *Special Committee on Municipal Exhibit*.

NEW BUSINESS (Out of Order).

Garage Permit, Arguello Boulevard.

The following resolution was taken up out of order:

Resolution No. —, Granting permission, revocable at will of the Board of Supervisors, to Walther & Kidd to erect and maintain a public garage in premises situate at the west line of Arguello boulevard, 100 feet 7½ inches south of Lake street, in strict accordance with the provisions of Ordinance No. 746 (New Series), and the conditions imposed by the Fire Marshal.

Motion.

Supervisor Bancroft moved that above matter be made a special order of business for three (3) o'clock next Monday.

Motion.

Supervisor Pugh moved to amend that the matter lay over two weeks, in order that all the members of the Board may have an opportunity to investigate the premises.

Motion.

Supervisor Murdock offered as a substitute that the protestants be heard at this time in order that they be not put to the inconvenience of coming again.

Motion carried.

Privilege of the Floor.

Whereupon, Morris L. Asher, attorney representing the protestants, addressed the Board, stating that the district in which it was proposed to establish said garage was one of the first class residential districts in San Francisco, and that its maintenance there would seriously depreciate property values. He

requested that the Board hear the property owners themselves who were directly interested.

W. F. Davis, trustee of St. John's Presbyterian Church, presented the written protest of the members of said church and voiced their sentiments against the establishment of said garage, alleging that the noise incidental to the conduct of such business would seriously interfere with divine services and that the character of the business would be a menace to the life of the children attending Sunday school.

John T. Carey, J. C. Franks, Mme. Sobier and I. Schwartz, property owners living in the vicinity of proposed garage, also voiced their protest, alleging that same would constitute a nuisance and would be a menace to their lives and property values.

Thomas Kehoe, resident of Jordan Tract, also addressed the Board, favoring the adoption of the resolution, stating that automobile business was a legitimate business and the establishment of a garage at the location applied for would be a great convenience to the residents of the district.

A. M. Kidd, petitioner, also addressed the Board, stating that his building would be a decided improvement to the block on which it was to be erected and the garage at said location would be a great convenience to the people of the neighborhood.

Action Deferred.

Whereupon, the above resolution was, on motion, laid over two weeks and made a special order of business, for Monday, October 30, 1911, at 3 o'clock p. m.

Providing for the Employment of Blon J. Arnold, Expert on Street Railway Transportation.

On motion of Supervisor Pugh:

Resolution No. 8725 (New Orleans), as follows:

Whereas, A communication from Bion J. Arnold of Chicago, Ill., dated May 31, 1911, addressed to W. R. Hagerty, Clerk of the Board of Supervisors, San Francisco, Cal., has been filed with this Board, in which said communication said Bion J. Arnold offers to investigate the street railway systems of this City and County and advise the Board of Supervisors as to what action it should take in order to improve the transportation facilities of this City and County; and

Whereas, The terms of said offer are that the City and County of San Francisco shall pay to the said Bion J. Arnold for such services the sum of twenty-five hundred (\$2500.00) dollars as a retainer fee, which said sum is to be paid upon the final passage of this resolution and which said sum shall retain the services of the said Bion J. Arnold for the period of one year from the date of the final passage hereof; and that in addition thereto the said City and County of San Francisco will pay to the said Bion J. Arnold the sum of two hundred and fifty (\$250.00) dollars per day for such time as he is engaged upon said work together with his traveling and living expenses while away from Chicago, and one hundred (\$100.00) dollars per day for said services while traveling in addition to his traveling and living expenses; that if after said work has begun this Board shall decide that it is necessary for said Bion J. Arnold to make a detailed and exhaustive study of the said street railway system, which said study will involve the use of an office force, then the said Bion J. Arnold is to be paid in addition to the foregoing as follows: For one first assistant upon the ground fifty (\$50.00) dollars per day together with his traveling and living expenses while away from Chicago and engaged upon the work, provided that the City and County shall pay for said living expenses for a period of thirty days; also twice the salary cost to the said Bion J. Arnold of all technical assistants necessary for him to place upon the work to properly carry it out, such as engineers, draftsmen, calculators, technical observers and others skilled in the work, the City and County engaging to furnish all necessary office space, facilities and supplies, clerks, stenographers, etc.; now therefore be it

Resolved by the Board of Supervisors of the City and County of San Francisco, That the said offer of the said Bion J. Green, president and secretary respectively of the Crocker Estate Company, to lands for the opening of Bay Shore avenue, Railroad avenue, Vista avenue, Nueva avenue, Raymond avenue, Taft avenue, Hood avenue, Wheeler avenue, Peninsula avenue, Acacia avenue, Gillette avenue and McKinley avenue."

Also Bill No. 1904, Ordinance No. — (New Series), entitled, "Accepting a deed of land from William H. Crocker and C. E. Green, president and secretary respectively, of the Crocker Estate Company (a corporation), to the City and County of San Francisco for a sewer right of way."

Ordering Sewer Work.

Also, Bill No. 1905, Ordinance No. — (New Series), entitled, "Ordering the construction of sewers and appurtenances in Twenty-third avenue, between Geary and Anza streets, approving and adopting plans and specifications therefor, and authorizing the Board of Public Works to enter into contract for doing of said work at an estimated cost of twelve thousand (\$12,000.00) dollars, out of the proceeds of sale of Sewer Bonds, issue of 1904, for the doing of said work, and authorizing progressive payments therefor to be made in the manner set forth in the specifications for said work."

Establishing Grades, Hunt Street.

Also, Bill No. 1906, Ordinance No. — (New Series), entitled, "Establishing grades on Hunt street."

Changing Grades, Certain Streets.

Also, Bill No. 1907, Ordinance No. — (New Series), entitled, "Chang-

ing and re-establishing the official grades on Spring street between Sacramento and California streets, and on California street, between the easterly line of Spring street, produced, and Kearny street."

Full Acceptance, Crossing of Douglass and Seventeenth Streets.

Also, Bill No. 1908, Ordinance No. — (New Series), entitled, "Providing for full acceptance of the roadway of the crossing of Douglass and Seventeenth streets, paved with basalt blocks."

Conditional Acceptance, Certain Streets.

Also, Bill No. 1909, Ordinance No. — (New Series), entitled, "Providing for conditional acceptance of the roadways of Illinois street, between the southerly line of Seventeenth street and the southerly line of Mariposa street; Illinois street, between Mariposa and Eighteenth streets; Illinois street, between Eighteenth and Nineteenth streets; Illinois street, between Nineteenth and Twentieth streets; crossing of Illinois and Eighteenth streets; crossing of Illinois and Nineteenth streets; crossing of Illinois and Twentieth streets."

Ordering Street Work.

Also, Bill No. 1910, Ordinance No. — (New Series), entitled, "Ordering the performance of certain street work to be done in the City and County of San Francisco, approving and adopting specifications therefor and authorizing the Board of Public Works to enter into contract for doing the same," the provisions of which order that 8, 12, 21 and 24-inch ironstone pipe sewers with appurtenances be constructed in the crossing of Seventeenth avenue and Cabrillo street.

Also, Bill No. 1911, Ordinance No. — (New Series), entitled, "Ordering the performance of certain street work to be done in the City and County of San Francisco, approving and adopting specifications therefor and authorizing the Board of Public Works to enter into contract for doing the same," the provisions of which order that granite curbs and a bituminous rock pavement be constructed in Boyce street, between Geary street and its northerly termination, and on Cabrillo street, between Tenth and Eleventh avenues.

San Francisco, approving and adopting specifications therefor and authorizing the Board of Public Works to enter into contract for doing the same," the provisions of which order that granite curbs and a bituminous rock pavement with 2 seven-foot central strips of basalt blocks be constructed in Fourteenth street, between Guerrero and Dolores streets.

Extensions of Time.

Also, Resolution No. — (New Series), Granting the Buena Vista Improvement Company an extension of sixty days' time from and after October 8, 1911, within which to complete contract for the construction of sewers and appurtenances in the Glen Park District, under public contract.

This extension of time is granted upon the recommendation of the Board of Public Works, for the reason that it was necessary to investigate the foundation of the 5-foot 3-inch section.

Also, Resolution No. — (New Series), Granting the City Street Improvement Company an extension of ninety days' time from and after September 7, 1911, within which to complete contract for paving and curbing on Reservoir street, between Church and Market streets.

This extension of time is granted upon the recommendation of the Board of Public Works, for the reason that the original diagram issued from the City Engineer's office did not show the entire amount of work to be performed.

Further Resolved, That the fee for advertising this Resolution be remitted.

Also, Resolution No. — (New Series), Granting the City Street Improvement Company an extension of thirty days' time from and after October 5, 1911, within which to complete contract for paving and curbing Eighteenth avenue, between Clement and Geary streets.

This extension of time is granted upon the recommendation of the Board of Public Works, for the reason that delays have been occasioned through the scarcity of material.

Adopted.

The following Resolution was adopted:

From Board of Public Works, transmitting progress report for week ending October 21, 1911, on buildings to be erected under bond issue.

To the Streets, Sewers and Parks Committee.

Communication—From Board of Public Works, recommending the expediency of performing the following street work, the expense thereof to be assessed in whole or in part on private property, to wit:

That redwood curbs and a broken rock sidewalk and pavement be constructed in the crossing of Judah street and Twenty-seventh avenue and 8 and 12-inch ironstone pipe sewers with appurtenances be constructed at said crossing.

That 8-inch ironstone pipe sewers with appurtenances be constructed in De Lano avenue from Ocean avenue to Santa Ynez avenue and in the crossing of Delano avenue and Santa Ynez avenue.

That redwood curbs and broken rock sidewalk and pavement be constructed in the crossing of Irving street and Forty-second avenue.

That artificial stone sidewalks be constructed on Belvedere street, between Seventeenth and Carmel street, on Greenwich street, between Jones and Taylor streets and on Filbert street, between Jones and Taylor streets.

Also, recommending that \$4000.00 be provided for the grading, construction of granite curbs and paving of the westerly one-half of Lyons street, between Union and Filbert streets, front of Presidio military reservation.

Also, returning petition of Roman Catholic Archbishop for the closing of the northerly end of Turk street, together with the opinion of City Attorney advising that Supervisors have power to order said street closed.

Also, recommending the establishing of grades on Sunnysdale avenue.

Also, recommending the conditional acceptance of the roadway of Shrader street, between Grove and Fulton streets, paved with asphalt.

Also, recommending the full acceptance of the roadway of the crossing of Geary and Cook streets, and the roadway of the crossing of Douglass and Twenty-second streets, paved with bituminous rock, except that portion

required by law to be kept in repair by the railroad company.

Also, recommending that eleven thousand dollars (\$11,000) in addition to \$10,000 heretofore appropriated be provided for the purchase of castiron pipe to be used in construction of Ingleside outlet sewer across Lake Merced lands.

From Board of Education, requesting the closing of Jarboe avenue from the westerly line of Moultrie street to the easterly line of Andover street.

From Fire Department, requesting that protest against the paving of Congress street be ignored, inasmuch as said street is impassable now and is the only street over which engine No. 40 can respond to alarms of fire in the vicinity.

To the Streets, Fire and Hospital and Health Committees.

Communication—From Board of Public Works, transmitting progress report for week ending October 21, 1911, on construction, plans and specifications of Sewer System, Auxiliary Water System and Garbage Disposal System.

REPORTS OF COMMITTEES.

The following Committees, by their respective Chairmen, presented reports on various matters referred, which reports were received, read and ordered placed on file:

Finance Committee—By Supervisor Kelly, Chairman.

Fire Committee—By Supervisor Knowles, Chairman.

Hospital and Health Committee—By Supervisor Healy, Chairman.

Printing Committee—By Supervisor Minehan, Chairman.

Public Buildings Committee—By Supervisor Nelson, Chairman.

Public Utilities Committee—By Supervisor Pugh, Chairman.

Streets, Sewers and Parks Committee—By Supervisor Nolan, Chairman.

Report of W. B. Birdsall on Claims Allowed by State Board of Control for Maintenance of Orphans, Half Orphans and Abandoned Children.

The following report was presented, read and on motion of Supervisor Walsh, ordered spread on minutes of the Board:

San Francisco, November 2, 1911.

To the Honorable the Finance Committee, Board of Supervisors—Gentlemen I am pleased to inform you that the State Board of Control this day announces that they have allowed the City and County of San Francisco the sum of \$13,216.69. This amount is for the maintenance of orphans, half orphans and abandoned children for the half yearly periods commencing July 1, 1908, and ending June 30, 1910.

The original claim was for \$45,755.73, which was reduced by the State Board of Examiners to \$10,578.71. Objections were made to the State Board of Control (which succeeded the State Board of Examiners) relative to the great reduction, and in consequence a further extension of time was allowed in order that proof might be submitted to them to show that the County was entitled to more than \$10,578.71.

Upon further examination of the records I found certain amounts that were deducted which should not have been; these amounts aggregating \$2,637.96 the State Board of Control allowed in the final settlement, same being included in the \$13,216.67.

The reduction on our original demand

of \$45,755.73 was made for the reason that records were not kept of each child, in accordance with state requirements, also because they were not re-committed every six months in accordance with the law. I now have records in course of completion, which I hope to install in all institutions in the near future, and the Juvenile Court has taken up the matter of recommitments.

The following claims are still in the hands of the State Board of Control, for which final settlement has not been made:

July 1, 1910 to December 31, 1910, \$19,787.22; January 1, 1911, to June 30, 1911, \$22,554.53; total, \$42,341.75.

Respectfully submitted,

W. B. BIRDSALL,

Accountant.

Award of Contract, Motor Ambulance.

Supervisor Healy introduced the following Resolution:

Resolution No. — (New Series), Awarding the contract for furnishing one motor ambulance to the Reliance Automobile Company, manufacturers of the Knox car, at their bid price of \$4500.00, a bond in the sum of \$2500.00 to be furnished for faithful performance of the above contract.

Minority Report of Hospital and Health Committee on Award of Contract for Automobile Ambulance for Emergency Hospitals.

Supervisor Walsh presented the following report:

November 13, 1911.

To the Honorable, the Board of Supervisors of the City and County of San Francisco:

Gentlemen:—I desire to submit a minority report on the awarding of the contract for a motor ambulance for the use of the emergency hospitals of this City and County.

At a hill-climbing test on Twenty-first street, between Church and Sanchez streets recently, the Chalmers, Rambler, Stoddard-Dayton, Pope-Hartford and Knox cars were given a severe hill-climbing test. Most of these cars failed to meet the test to which they were put, the Pope-Hartford and

the Knox cars, however, qualified. The Knox car, a light machine, made a very good demonstration, but the Pope-Hartford, a much heavier car demonstrated, in my opinion, superior speed and reliability. Being convinced of its merit in this regard, I feel it incumbent upon me to present this phase of the demonstration to the members of the Board of Supervisors, some of whom are familiar with the operation of motor cars and in a position to judge of their merits. In my judgment, the Pope-Hartford car proved a superior car at the test above mentioned. Although its bid is \$500.00 higher than that for the Knox car, I have never believed in cheapness as against merit in the purchase of anything. A cheap article is always the dearest in the long run. I present these phases of the question to your honorable Board with the recommendation that they be considered by the Board of Supervisors as a whole before the contract is awarded, in order that the City may obtain the very best results in this matter.

Respectfully submitted,

JOHN O. WALSH.

Motion.

NEW BUSINESS (Out of Order).

Garage Permit, Plummer and Brown.

The following Resolution was taken up out of order:

Resolution. — (New Series). Granting F. A. Plummer and H. C. Browne permission, revocable at will of the Board of Supervisors, to erect and maintain a garage in premises No. 965 Sutter street, in accordance with the provisions of Ordinance No. 746 (New Series), and under the supervision and to the satisfaction of the Fire Marshal.

Motion.

Supervisor Walsh moved that protestants be granted the privilege of the floor.

Motion carried.

Privilege of the Floor.

Whereupon J. C. McKinstry, representing protesting property owners and residents of the block in which it is proposed to establish a garage was

granted the privilege of the floor and addressed the Board, declaring that the granting of the permit for a garage at the location named in the resolution would be a decided detriment to property values on that portion of Sutter street. That owing to the large traffic on said street it would be a menace to life and increase the fire hazard. He declared that Goldberg-Bowen, the owners of the property, were the persons directly interested in the granting of the permit and that application therefor had merely been made under the names of Plummer & Brown.

Edward Wolf, attorney representing protesting property owners, also addressed the Board, stating that Sutter street at the location of the proposed garage was peculiarly adapted for apartment house purposes, and the granting of a permit for a garage on said street would work a great injustice on owners of property within the block causing a depreciation of values, increase of fire hazard and consequently a raising of insurance rates.

Timothy Fitzpatrick, representing Plummer and Brown, also addressed the Board, stating that there was only one house on the block in which it was proposed to erect the garage, that the garage was to be of a character suitable to the neighborhood and one that would not, on account of its appearance, be a detriment to the location in which it was to be placed. He requested that the permit be granted.

Motion.

Supervisor Walsh moved that the Resolution be laid over one week in order that members might have an opportunity to investigate and that matter be made special order of business for Monday, November 27, 1911, at 3 o'clock p. m.

Motion carried.

Stable Permit, Thos. Murtha.

The following Resolution was taken up out of order:

Resolution. —, Granting permission, revocable at will of the Board of Supervisors and in accordance with provisions of sections 197 and 198 of Ordinance No. 1008 (New Series), to Thomas Murtha to conduct and maintain a stable for the accommodation of two horses in rear of premises No. 1075 York street.

Motion.

Supervisor Healy moved that protestants be heard.

Privilege of the Floor.

Whereupon Edward Rock, property owner, was granted the privilege of the floor and stated that proposed stable was to be located adjacent to his home, there being only one piece of property intervening. He opposed

the granting of the permit for the reason that a stable in that vicinity would depreciate property values and increase the fire hazard. It surely would not improve property, but he added, inasmuch as there were no other persons in the neighborhood protesting he would withdraw his objections.

J. Rooney, property owner, also addressed the Board, stating that he had property valued at \$12,000, directly across the street from the proposed stable and that he did not feel that he was injured by the granting of the permit to Mr. Murtha. He requested that the Board pass the resolution submitted.

Passed for Printing.

Whereupon the above resolution was passed for printing by the following vote:

Ayes—Supervisors Bancroft, Cutten, Deasy, Hayden, Healy, Herget, Hocks, Kelly, Loughery, Murdock, Nelson, Nolan, O'Dowd, Pugh, Walsh—15.

UNFINISHED BUSINESS (Out of Order).

Recommended.

The following resolution was taken up out of order and ordered recommended to the Fire Committee.

Laundry Permit, D. Estacaille.

Resolution —, Granting, D. Estacaille permission, revocable at will of the Board of Supervisors, to erect and maintain a French laundry in premises situate at the west side of Ninth avenue 200 feet south of Judah street, in strict accordance with the Sanitary and Fire laws and regulations of the Board of Health and Fire Department.

UNFINISHED BUSINESS.

Laundry Permit, D. Estacalle.

The following Resolution, heretofore passed for printing, was taken up:

Resolution —, Granting D. Estacalle permission, revocable at will of the Board of Supervisors, to erect and maintain a French laundry in premises situate at the west side of Ninth avenue 200 feet south of Judah street, in strict accordance with the Sanitary and Fire laws and regulations of the Board of Health and Fire Department.

Privilege of the Floor.

Carl E. Dodd, property owner, appeared and protested. He declared that the property owners on the street were willing to pay D. Estacalle the market value of his lot, and a little more, in order that he might suffer no loss. He requested that the permit be denied.

L. M. Weisman, architect of D. Estacalle, stated that Ninth avenue was a business street and suitable for such a business. He declared that other property owners on the street contemplated constructing stores and other places of business.

Geo. Wane, property owner, declared that there was no intention on the part of property owners on the block to construct stores and other places of business as stated. He presented photos showing residence character of street, and requested that permit be denied.

Action Deferred.

Whereupon, the above resolution was, on motion of Supervisor Walsh, laid over one week in order that Supervisors might investigate.

Intention to Close a Portion of Turk Street.

The following Resolution was presented by Supervisor Nolan:

Resolution No. 8966 (New Series), as follows:

Resolution of Intention to close a portion of Turk street, between Masonic avenue and Parker avenue.

Whereas, A petition has been filed with the Board of Supervisors of the City and County of San Francisco, State of California, by a property owner owning a majority of the frontage upon the north line of Turk street, between Masonic avenue and Parker avenue in said City and County, praying

for the closing of that portion of Turk street, between Masonic avenue and Parker avenue, included between the present northerly line of Turk street and a line drawn parallel thereto at a distance southerly therefrom of thirty-one feet and three inches.

It is resolved, that public interest and convenience require that that portion of Turk street in the City and County of San Francisco, State of California, hereinafter described, be closed.

It is further resolved, that it is the intention of the Board of Supervisors of the City and County of San Francisco, State of California, to close that portion of Turk street within said City and County, described as follows, to-wit:

Commencing at the point formed by the intersection of the present northerly line of Turk street with the westerly line of Masonic avenue; running thence westerly along said present northerly line of Turk street to the easterly line of Parker avenue; thence at a right angle southerly thirty-one feet and three inches to a point in the present roadway of Turk street sixty-eight feet and nine inches northerly from the southerly line of Turk street; thence at a right angle easterly to the westerly line of Masonic avenue; thence at a right angle northerly thirty-one feet and three inches to the present northerly line of Turk street and point of commencement.

It is further resolved, that the land deemed necessary to be taken for said purpose is that portion of Turk street above described, and that the exterior boundaries of the district of lands to be affected and benefited by the closing of said portion of said street and to be assessed to pay the damages, costs and expenses thereof, are as follows:

The present northerly line of Turk street; the westerly line of Masonic avenue; the easterly line of Parker avenue, and the southerly line of Geary street.

The Board of Public Works is hereby directed to give notice of said contemplated closing and abandonment of said portion of Turk street hereinbefore described in the manner provided by law.

Privilege of the Floor.

A. F. Burke, Attorney representing Roman Catholic Archbishop, was granted the privilege of the floor and stated that Turk street, from Masonic avenue to Parker avenue, was originally dedicated to public use by Bishop Alemany, for street purposes as long as the adjacent land was used for cemetery purposes, and now that said land was no longer permitted to be used for cemetery purposes, he requested that the

width of said street be made uniform throughout its entire length, by reducing its width from 100 feet to the uniform width of Turk street. He declared that it was the intention of the Archbishop to improve said street in front of his property, and unless the width was made uniform it would be unprofitable for him to make.

C. Zweirlein, representing the West End Betterment Club, stated that the land that would be re-dedicated to the Archbishop by the closing of the northerly portion of Turk street, between Masonic and Parker avenues, would amount in all to about seventeen city lots, valued at approximately \$4000 a lot. He protested against giving this amount of land to the Archbishop unless some adequate return was made. He suggested that the Archbishop be requested to donate a block of land for playground or park purposes in some part of the city.

A. F. Burke, Attorney for Archbishop, stated that the land which would be re-dedicated had originally been dedicated to the city by Archbishop Alemany and that any action the Board might take in re-dedicating it would be only giving back to the Archbishop what originally belonged to him.

Adopted.

Whereupon, the question being taken, the foregoing Resolution was adopted by the following vote:

Ayes—Supervisors Bancroft, Cutten, Deasy, Gallagher, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nolan, O'Dowd, Pugh, Walsh—17.

United States Government to Protect Its Citizens Abroad.

On motion of Supervisor Walsh:

Resolution No. 8982 (New Series), as follows:

Resolved, That the Clerk of this Board be directed to transmit the following communication to the President of the United States, the Secretary of State, and the Senate of the United States at Washington, D. C., to wit:

The Board of Supervisors of the City and County of San Francisco, California, as its governing body, respectfully represents to you its interest in the controversy now waging relative to recognition by the Government of Russia of properly credentialled passports issued by the Government of the United States to its citizens, who were formerly subjects of the Emperor of Russia.

This Board of Supervisors believes the mantle of the United States citizenship a sacred garment, to be held and kept inviolate at all times and under all conditions, no matter of what race, sect or creed the wearer of that mantle may be, and that the flag of the United States should be an emblem of protection to its citizens, wherever they wander, for pleasure or profit.

Believing these things, the Board of Supervisors of the City and County of

San Francisco, California, requests at your hands such firm, considerate and speedy action as will cause the Government of Russia, and all other Governments, to recognize that United States citizenship is not a thing to be played with or to be denied merely through the whim of a foreign ruler or his advisers. That a naturalized citizen of the United States should not be allowed to visit the land of his birth, because of fear of imprisonment and compulsory military service, violates every idea of American justice and equity, and is an idea that should be combatted by the full strength of the power of this Government.

Ayes—Supervisors Bancroft, Cutten, Deasy, Gallagher, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Murdock, Nelson, O'Dowd, Walsh—15.

Attorney-General and City Attorney to Bring Suit For Forfeiture of Franchise of California Street Railway.

Resolution No. 8983 (New Series), as follows:

Resolved, That the Attorney General of the State of California and the City Attorney of the City and County of San Francisco are hereby requested to commence legal proceedings against the United Railroads of San Francisco for the purpose of and to forfeit the franchise now held and claimed by said United Railroads of San Francisco under and in accordance with Order No. 1523 of the Board of Supervisors of the City and County of San Francisco, State of California, to construct, lay down, maintain and operate a single or double track street railroad with all the necessary switches and turn-outs running from the foot of Market street to California street, thence along California street to its intersection with Kearny street; further,

Resolved, That Resolution No. 8969 be and is hereby repealed.

Ayes—Supervisors Bancroft, Cutten, Deasy, Gallagher, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Murdock, Nelson, O'Dowd, Walsh—15.

Adopted.

Relative to Rent and Occupancy of Temporary City Hall Building.

The following communication was presented by Supervisor Nelson, and read by the Clerk:

December 11, 1911.

Honorable Board of Supervisors of the City and County of San Francisco.

Gentlemen: Since writing to you in connection with the occupation of the lower floor of the Temporary City Hall by the offices of Assessor, Tax Collector and County Clerk, it has been called to my attention that the city is paying at the present time by way of rent for the premises occupied by these county offices but \$1048 a month. Therefore, it would not be

to the interest of the municipality to move these offices at this time and pay an advanced rent.

Accordingly I am willing to recede from the position first taken by me. Kindly consider my previous letter withdrawn.

Herewith there is submitted to you the following:

I herewith agree to have the lower floor ready for occupancy by December 23rd of this year, and will further agree, in accordance with the terms of the agreement made between me and the City and County, to move these offices at any time you may designate between said December 23rd and the January 1st following. I will also agree to supply the necessary heat between the hours of 8 a. m. and 6 p. m.

In consideration for this the city is to pay as rent, commencing with January 1st, 1912, twelve hundred and fifty dollars a month. The city is also to furnish its own janitor service and light. In explanation of the offer that I am making I would say, the estimated cost of the fuel and labor necessary to heat the lower floor will be \$300 a month. In view of the fact, however, that a portion of the heat generated will be used in drying out the upper floors, I do not feel it fair to ask the city to bear more than two-thirds of the cost. Ten hundred and forty-eight dollars, the amount of the rent now paid by the city, plus \$200, amounts to practically \$1250, the rent I am now asking.

It must not be understood by this letter that I am in any way acquiescing in an arrangement by which other departments of the city government may occupy space in the building being erected upon the payment of a sum equal to the rent they are now paying; that is to say, the rent now paid shall not under any circumstances be taken as the measure of value for the space that such office may occupy in the Temporary City Hall. I am only allowing the three departments above mentioned to move in and occupy the lower floor for \$1250 because there happens to be some reasonable comparison between the value of the space they occupy with the rent that they have heretofore been paying.

Yours truly,

JAMES OTIS, Trustee.

Adopted.

Whereupon the following Resolution was introduced under suspension of the rules by Supervisor Nelson, and adopted:

Accepting Agreement in the Matter of the Occupancy of the New Temporary City Hall Building.

Resolution No. 9050 (New Series), as follows:

Whereas, It becomes necessary that the offices of the Assessor, Tax Collector and County Clerk be moved to the temporary City Hall building, Market street near Eighth street, before the said building is ready for entire occupation by all offices and departments of the city to be installed in said building; and

Whereas, The Whitcomb Estate Company, by James Otis, Trustee, lessor of said building, has by communication filed December 11, 1911, notified this Board that the first floor of said building will be ready for the reception of the Assessor's, Tax Collector's and County Clerk's offices December 23, 1911, and further agreeing to the acceptance of the sum of \$1048.00 rent for the occupancy of said first floor by said departments, commencing January 1, 1912, the said amount of rent being the sum now paid for these departments at present locations, and further requesting the additional sum of \$202.00 per month as pro rata expense of the heating plant assumed by said lessor until the said building is fully turned over to the city in accordance with the terms of the lease; the city to assume the expense of lighting and furnishing janitorial service; therefore be it

Resolved, That the terms of the aforesaid agreement are hereby accepted, and the amount of rental to be allowed, including heat, the sum of \$1250.00, commencing January 1, 1912, for the said first floor of the building, and the lessor is hereby requested to proceed with the moving and installing of the said departments, to wit: Assessor, Tax Collector and County Clerk, in the temporary City Hall building, between the 23rd day of December, 1911, and the 1st day of January, 1912, in accordance with the provisions of the lease; and be it further

Resolved, That the said departments hereinbefore mentioned proceed to make ready, and permit the moving and installing of their offices in said building by the said lessor, under the supervision of the Superintendent of Public Buildings acting in conjunction with the heads of the respective departments; and be it further

Resolved, That the owners or agents of the present premises occupied by said departments be forwarded a copy of this resolution, which shall be deemed a service of

notice of the intent to vacate the respective premises by the city on January 1st, 1912.

Ayes—Supervisors Cutton, Deasy, Gallagher, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, O'Dowd, Pugh, Walsh—16.

Passed for Printing.

The following Resolution was introduced under suspension of the rules, and passed for printing:

Providing \$1500 for Construction of Counters, etc., at Temporary City Hall Building.

On motion of Supervisor Nelson:

Resolution No. — (New Series), as follows:

Resolved, That the sum of \$1500.00 be and the same is hereby set aside, appropriated and authorized to be expended out of the item "For rents, repairs to and equipment of buildings" in the budget of the fiscal year 1911-12, for the purpose of constructing necessary counters and racks in the new offices of the County Clerk in the temporary City Hall building.

Adopted.

The following Resolutions were introduced under suspension of the rules and adopted:

Light and Power Companies Required to File Statements for Purpose of Rate Fixing.

NEW BUSINESS (Out of Order).

Blasting Permit.

Pacific States Supply Company.

The following matters, heretofore referred to the Fire Committee and returned by said Committee without recommendation, were taken up for consideration on motion of Supervisor Knowles:

Petition—Of Pacific States Supply Company, for reconsideration of its application for permission to blast at Twenty-sixth and Douglass streets.

Resolution—Of United Laborers Union No. 1, endorsing petition of Pacific States Supply Company for permission to blast in quarry at Twenty-sixth and Douglass streets.

Communication—From Pacific States Supply Company, with statement as to character of work proposed to be done by Pacific States Supply Company if granted permission to blast at Twenty-sixth and Douglass streets.

Protests—Of Noe Valley Improvement Association, against opening quarry at Twenty-sixth and Douglass streets.

Of Twin Peaks Improvement Club, against renewal of blasting operations at quarry, Twenty-sixth and Douglass streets.

Of Emil Melin and others, against blasting in quarry at Twenty-sixth and Douglass streets.

Privilege of the Floor.

W. H. Schooler, representing the petitioner, stated that the nearest house to the proposed rock quarry was at least 585 feet distant, and that the nearest of the protestants was 890 feet. He declared that the Pacific States Supply Co. was ready and willing to furnish a bond to the amount of \$50,000 to cover any damage that might

ensue from the operation of the quarry by his clients.

J. O'Leary, representing the United Laborers' Union, favored the granting of the permit for the operation of the quarry to the Pacific States Supply Co. for the reason that it would give employment to a large number of idle men. He saw no danger in operating the quarry if competent men were engaged in the work.

W. F. Dwyer, also representing the United Laborers' Union, stated that the company had promised to unionize the men engaged at the quarry in the event of the permit being granted and that for that reason especially he was in favor of granting the permit, inasmuch as it would afford an opportunity to organize this class of labor.

Mary Craig, owner of the property upon which proposed quarry is located, also addressed the Board, stated that the value of her land was in the rock and requested that she no longer be denied the privilege of putting her property to profitable use by refusal of blasting permit to the Pacific States Supply Co., who had leased the land from her.

William Roman, property owner, stated that he resided 400 feet from the proposed quarry and did not apprehend any danger from its operation.

L. K. Hall, property owner, also declared that he feared no danger from the operation of the quarry.

John Dempsey, property owner, declared in favor of granting the permit. He stated that he was obliged to work outside of the city and county on account of the difficulty of obtaining employment here. He believed that the enterprise of the Pacific States Supply Company should be encouraged in order that more capital might be invested in San Francisco and employment given to its inhabitants.

George Appel, also addressed the Board, requesting that a probationary permit be granted and if it proved that the quarry was the nuisance it was alleged to be by the protestants, that the permit be revoked.

W. E. White, representing protestants, stated that the Board could not grant the permit without violating the ordinance recently adopted fixing blasting permits.

F. A. Dorn, protesting property owner, was also granted the privilege of the floor and opposed the granting of the permit on the ground that the rental value of property would depreciate 50 per cent as soon as it became known that blasting operations were to be permitted in the vicinity.

Mrs. Parker, property owner, also opposed the granting of the permit.

Petition Denied.

Whereupon, on motion of Supervisor

Gallagher, the petition was denied by the following vote:

Ayes—Supervisors Bancroft, Cutten, Deasy, Gallagher, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, O'Dowd, Pugh, Walsh—17.

Blasting Permit.

Merrifield & Mahoney.

The following matters heretofore referred to the Fire Committee and returned to said Committee without recommendation were taken up for consideration on motion of Supervisor Knowles.

Petitions—Of Merrifield & Mahoney, to install, operate and maintain a rock crusher in block bounded by Noriega street, Thirteenth avenue, Ortega street and Fourteenth avenue.

Of Chris. Neese and others, favoring the granting of a permit to Merrifield & Mahoney to maintain a rock crushing plant in block 944, Sunset District.

Protests—Of D. M. Coghlan and others, against granting Merrifield & Mahoney permission to operate a quarry and rock crusher in block 944, Sunset District.

Of Mary C. Buckingham, requesting that Merrifield & Mahoney be denied permission to blast on quarry in block 944, Sunset District.

Of J. Noble Jones and others, against granting Merrifield & Mahoney permission to blast in block 944, Sunset District.

Of Thomas D. Quigley and others, against granting Merrifield & Mahoney permission to operate a rock crusher in block 944, Sunset District.

Of Carl G. Larsen, against granting Merrifield & Mahoney permission to operate a rock crusher in block 944, Sunset District.

Of the Noble Jones Company, against granting Merrifield & Mahoney permission to operate a quarry in block 944, Sunset District.

Motion.

Supervisor Kelly moved that the time limit on speakers be enforced and that two from each side be heard.

Motion carried.

Privilege of the Floor.

W. T. Kearny, representing Merrifield & Mahoney, the applicants, declared that the location of the proposed blasting operations was on the top of a hill in a practically isolated part of the Sunset District and that the danger was minimized. He requested that the permit be granted.

H. Merrifield, representing the firm of Merrifield & Mahoney, also requested that he be permitted to carry on the blasting operations at his quarry in the Sunset District inasmuch as he had already invested a large amount of money in the plant and there was

little or no danger from its operation.

W. W. Allen, representing protestants, opposed the granting of the permit on the ground that the locality was a residential district and that extensive preparations were being made by property owners in the vicinity to terrace and beautify the locality by winding roads and parks.

Mrs. Walther, property owner, also opposed the granting of the permit.

Action Deferred.

Whereupon on motion of Supervisor Herget, the above matter was *laid over one week* in order to permit the Board of Supervisors to inspect the site of the proposed quarry.

Garage Permit.

John J. McArthur.

The following matters, heretofore referred to the Fire Committee and returned without recommendation, were taken up for consideration on motion of Supervisor Knowles:

Petition—Of Jno. J. McArthur, for permission to conduct a public garage on the north side of Sutter street east of Steiner street.

Protest—Of Oscar Harris and others, against granting John J. McArthur permission to maintain a garage on north side of Sutter street, thirty feet east of Steiner street.

Privilege of the Floor.

W. F. Herron, representing petitioner, was granted the privilege of the floor and addressed the Board, stating that the proposed garage would be housed in a class "A" building and instead of being a nuisance to the neighborhood, as protestants declare, would be a decided improvement over the character of the buildings now there.

Protest

The following matter was presented and read by the Clerk:

Protest—Of Dominican Fathers, against granting John J. McArthur permission to conduct a public garage on north side of Sutter street, east of Steiner street.

Motion.

Whereupon, on motion of Supervisor Walsh, the above petition was *denied* by the following vote:

Ayes—Supervisors Bancroft, Cutten, Gallagher, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, O'Dowd, Pugh, Walsh—16.

Laundry Permit Denied.

The following matter, heretofore referred to Fire Committee and returned by said Committee without recommendation, was taken up.

Resolution—Granting D. Estacaille permission, revocable at will of the Board of Supervisors, to erect and maintain a laundry to be operated by hand power in premises situate at east

side of Ninth avenue, 200 feet south of Judah street, in strict accordance with the laws and regulations of the Fire Department and Board of Health.

Privilege of the Floor.

G. Wale, property owner, was granted the privilege of the floor and addressed the Board, objecting to the granting of the permit for the reason that the proposed laundry was to be located on a lot between two high class residences and in a strictly residential district.

Refused Passage.

Whereupon the above resolution was *refused passage* by the following vote:

Ayes—Supervisors Hayden, Herget, Kelly, Knowles, Loughery, Nelson, Pugh—7.

Noes—Supervisors Bancroft, Cutten, Deasy, Gallagher, Healy, Hocks, Minehan, Murdock, O'Dowd, Walsh—10.

Absent—Supervisor Nolan—1.

Recommended.

The following matter was introduced by Supervisor Knowles out of order and on his motion recommended to the Fire Committee:

Laundry Permit.

Resolution—Granting Wing Lee permission, revocable at will of the Board of Supervisors, to conduct a laundry to be operated by hand power in premises situate in basement No. 946 Stockton street, in strict accordance with the laws and regulations of the Fire Department and Board of Health.

UNFINISHED BUSINESS (Out of Order).

The following matter, heretofore passed for printing, was taken up out of order and on motion of Supervisor Herget *finally passed* by the following vote:

Regulating Sale of Liquor.

Bill No. 1954, Ordinance No. 1749 (New Series), entitled, "An Ordinance regulating the sale, service and dispensing of spirituous, malt and fermented and vinous liquors, or any admixture thereof to be drunk upon the premises where sold, served or dispensed, and prohibiting the sale, furnishing, service or dispensing of any such liquors, upon or in any fixed places of business where the same is so sold, furnished, served or dispensed to be drunk upon any such premises unless and until a "Retail Liquor Dealer's License" shall have been issued for such place of business, and prescribing the penalty for a violation thereof."

Ayes—Supervisors Bancroft, Cutten, Deasy, Gallagher, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, O'Dowd, Pugh, Walsh—17.

Absent—Supervisor Nolan.

NEW BUSINESS (Out of Order).

The following resolution was introduced by Supervisor Knowles:

Denying Boiler Permits.

Resolution—Denying, in the exercise of the sound and reasonable discretion of the Board of Supervisors, permission to G. Gaggetti to erect and maintain a boiler in premises No. 1120 Potrero avenue; and Michael Lapeyri to conduct a laundry and erect and maintain a boiler in premises at south side of Fell street, 156 feet 3 inches west of Devisadero street.

Minority Report.

The following minority report was presented by Supervisor Minehan and read by the Clerk:

December 18, 1911.

To the Honorable Board of Supervisors: In re application of Michael Lapeyri at 1221 Fell street for permit for laundry and boiler, I herewith submit a favorable report on said application, said report being a minority report. I see no reason why application should be denied, and herewith ask that application be granted. Respectfully submitted,

TIMOTHY P. MINEHAN,
Supervisor.

Privilege of the Floor.

Frank Hynes, representing Michael Lapeyri, was granted the privilege of the floor and addressed the Board, stating that the premises of the proposed laundry is situated between two stables and adjoins the car barns of the United Railroads. He declared that the neighborhood would in no way be menaced or values impaired by locating a laundry in the vicinity, and requested that the permit be granted.

Adoption of Amended Resolution.

Whereupon, the above resolution being amended by striking out the last clause relative to the application of Michael Lapeyri was adopted by the following vote, to-wit:

Resolution No. 9052 (New Series). Denying, in the exercise of the sound and reasonable discretion of the Board of Supervisors, permission to G. Gaggetti to erect and maintain a boiler in premises No. 1120 Potrero avenue.

Ayes—Supervisors Bancroft, Cutten, Deasy, Gallagher, Hayden, Healy, Herget, Hocks, Kelly, Knowles, Loughery, Minehan, Murdock, Nelson, O'Dowd, Pugh, Walsh—17.

Passed for Printing.

The following Resolution was introduced under suspension of the rules, and passed for printing:

Laundry, Engine and Boiler Permit.**Resolution No. — (New Series).**

Resolved, That permission, revocable at will of the Board of Supervisors, be and is hereby granted Michael Lapeyri to erect and maintain a laundry and

to erect and maintain an engine and boiler of 15 horsepower, in premises, situate in premises at south line of Fell street, 156 feet 3 inches west of Divisadero street, the same to be used for laundry purposes.

Providing \$25,000 for Repairs to Accepted Streets and Repairs to Sewers.

The following resolution heretofore introduced by Supervisor Gallagher and passed for printing was taken up.

Resolution No. — (New Series), as follows:

Resolved, That the sum of \$25,000, 00 be and the same is hereby set aside, appropriated and authorized to be expended out of the item "For paving, repaving, grading and repairs to streets, for reconstruction of and repairs to sewers, and for construction of and repairs to public buildings and other structures, excepting school buildings," in the budget of the fiscal year 1911-12, for the purpose of enabling the Board of Public Works to do the necessary repaving and repairing of the roadways of accepted streets and make the necessary repairs to sewers during the month of December, 1911.

Privilege of the Floor.

Michael Casey, President of the Board of Public Works, was granted the privilege of the floor and addressed the Board, stating that owing to lack of funds it was necessary to lay off large numbers of men during the month of November. He was very desirous of keeping the men at work, but unless funds could be provided, did not see his way clear to do so. He declared that there was a great deal of work necessary to be done and if the Board could see its way clear to make the above appropriation, it would be expended to the best advantage.

Refused Passage.

Whereupon, the question being taken on the above resolution, same was refused final passage by the following vote:

Ayes—Supervisors Deasy, Gallagher, Healy, Minehan, Nelson, O'Dowd, Walsh—7.

Noes—Supervisors Bancroft, Cutten, Hayden, Herget, Hocks, Kelly, Knowles, Loughery, Murdock, Pugh—10.

Absent—Supervisor Nolan—1.

Laundry, Engine and Boiler Permit.

The following matter, heretofore passed for printing, was taken up:

Resolution No. — (New Series).

Resolved, That permission, revocable at will of the Board of Supervisors, be and is hereby granted Michael Lapeyri to erect and maintain a laundry and to erect and maintain an engine and boiler of 15 horsepower, in premises, situate in premises at south line of Fell street, 156 feet 3 inches west of Divisadero street, the same to be used for laundry purposes.

Privilege of the Floor.

John Simmen, representing protesting property owners, was granted the privilege of the floor and addressed the Board opposing the granting of the permit on the ground that the establishment of a laundry in that vicinity would depreciate property values.

Miss J. R. Kelly also appeared and entered her protest against the granting of the permit for the same reason.

Action Deferred.

Whereupon, on motion of Supervisor Bancroft, the above matter was laid over one week for investigation.

SPECIAL ORDER OF BUSINESS, 3:30 P. M.

Proposed Merger of Pacific Telephone and Telegraph Company and Bay Cities Home Telephone Company.

Bill No. 1950, Ordinance No. — (New Series), Requesting the Pacific Telephone and Telegraph Company and the Bay Cities Home Telephone Company to consolidate their telephone systems in the City and County of San

Francisco, consenting to the sale or transfer of the property of either of said telephone companies to the other, and providing that, upon such consolidation, the franchise of the company selling its property shall be surrendered to the City and County of San Francisco, and thereupon shall cease and determine.

December 4, 1911—Introduced in Board by Supervisor Loughery and ordered referred to Joint Committee on Public Utilities and Telephone Rates.

December 18, 1911—Made a Special Order of Business for 3:30 p. m., this day.

Resolutions and Substitute Bill Submitted by Chamber of Commerce.

The following matters were presented by Supervisor Loughery and read by the Clerk:

Resolved, That the Board of Directors of the San Francisco Chamber of Commerce favors the consolidation of the telephone systems of the Pacific Telephone and Telegraph Company and the Bay Cities Home Telephone Company, on account of the great convenience and the saving in expense consequent upon there being a single system to be used; and also

Resolved, That the amended ordinance, as submitted by the Executive Committee, which has been framed to comply substantially with the conditions suggested by the Executive Committee in its communication to the Committee on Public Utilities of the Board of Supervisors, under date of December 18th, 1911, be and the same is endorsed and the Board of Supervisors is respectfully urged to act favorably on this ordinance so that the consolidation of the two telephone systems may be effected as soon as possible.

I hereby certify that the above is a true and correct copy of resolutions unanimously adopted by the Board of Directors of the San Francisco Chamber of Commerce at a meeting held December 22nd, 1911.

D. M. KING,

Secretary S. F. Chamber of Commerce Board of Directors.

Substitute Bill.

Bill Number —, Ordinance Number — (New Series). Permitting the Pacific Telephone and Telegraph Company and the Bay Cities Home Telephone Company to consolidate their telephone systems in the City and County of San Francisco, granting the consent of the City and County of San Francisco to the sale or transfer of the property of the Bay Cities Home Telephone Company to the Pacific Telephone and Telegraph Company, fixing the terms and conditions upon which

such consent is granted, and providing that, upon such consolidation, the franchise of the Bay Cities Home Telephone Company shall be surrendered to the City and County of San Francisco, and thereupon shall cease and determine.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Pacific Telephone and Telegraph Company and the Bay Cities Home Telephone Company are hereby permitted to consolidate their telephone systems in the City and County of San Francisco, and the consent of the City and County of San Francisco is hereby granted to the sale or transfer of the property of the Bay Cities Home Telephone Company to The Pacific Telephone and Telegraph Company.

Section 2. The consent of the City and County of San Francisco to the consolidation of said telephone systems and to the sale or transfer of the property of the Bay Cities Home Telephone Company to The Pacific Telephone and Telegraph Company is hereby granted upon the terms and conditions following, to wit:

First: That The Pacific Telephone and Telegraph Company shall execute to the City and County of San Francisco and file with the Clerk of the Board of Supervisors an agreement providing that said Company during the entire term of its franchise shall continue to furnish, without charge therefor, to the City and County of San Francisco, six hundred (600) telephones now furnished by said Company for the use of said City and County and also that the City and County of San Francisco, during the entire term of the franchise of said Company, shall have the use, without any expense to said City and County, of one continuous duct, or when required by the Board of Supervisors, two continuous ducts, throughout the entire length of all the conduits now owned by the Bay Cities Home Telephone Company in said City and County, for the exclusive use of the fire alarm, fire patrol, police alarm and department of electricity service of the City and County of San Francisco, said duct or ducts being in addition to the duct now furnished for the use of said City and County of San Francisco by The Pacific Telephone and Telegraph Company, and that The Pacific Telephone and Telegraph Company will in any extensions to its plant in addition to the duct required to be furnished under its franchise furnish when required by the Board of Supervisors one additional

duct throughout such extensions, and such agreement providing further, that The Pacific Telephone and Telegraph Company, for the purpose of rate fixing, shall ask for a return only upon such portion of the property acquired by it from the Bay Cities Home Telephone Company as may be reasonably useful and necessary to The Pacific Telephone and Telegraph Company in the operation of its system.

Second: That the Bay Cities Home Telephone Company shall surrender its franchise to maintain and operate a telephone system in the City and County of San Francisco, such surrender to be evidenced by an instrument in writing, signed by the duly authorized officers of the Bay Cities Home Telephone Company, and filed in the office of the Clerk of this Board; and upon the filing of such agreement by The Pacific Telephone and Telegraph Company and of such instrument of surrender by the Bay Cities Home Telephone Company, such franchise so surrendered immediately shall cease and determine.

Section 3. This Ordinance shall take effect and be in force from and after its passage.

ROBT. J. LOUGHERY.

Protest of Labor Council.

San Francisco, Dec. 16th, 1911.

Hon. Robert J. Loughery, Member Board of Supervisors, 64 Eddy street, City.

Dear Sir:

The following resolutions were adopted by the San Francisco Labor Council in regular session assembled Friday evening, December 15th, 1911, and are herewith submitted to you for your most earnest and respectful consideration:

"Whereas, There is now pending before the Board of Supervisors of the City and County of San Francisco a resolution requesting a merger of the Home Telephone Company and the Pacific Telephone and Telegraph Company, both doing business in this City and County;

"Whereas, The San Francisco Labor Council has repeatedly placed itself on record as being opposed to monopoly in any form;

"Whereas, The Charter of this City and County favors the early acquisition of public utilities by the municipality with which this Council heartily agrees;

"Whereas, The creation of a telephone monopoly would result by reason of a merger, and said monopoly would greatly embarrass the City and County acquiring this public utility; therefore be it

"Resolved, That the San Francisco Labor Council protests against the Board of Supervisors passing the

above-mentioned resolution; and be it further

"Resolved, That a copy of these resolutions be forwarded to his Honor, the Mayor of the City, and also to each Supervisor of this City and County."

Any action taken by you in compliance with the above resolutions will be greatly appreciated by the San Francisco Labor Council.

I beg to remain,

Respectfully yours,

ANDREW J. GALLAGHER,

Secretary S. F. Labor Council.

Protest of International Brotherhood of Electrical Workers Local Union No. 151.

San Francisco, December 22nd, 1911.

To the Honorable Board of Supervisors of the City and County of San Francisco, No. 64 Eddy street, City.

Gentlemen:

The following resolution was adopted by Local Union 151, I. B. E. W., Thursday, December 21st, 1911.

Whereas, There is now pending before the Board of Supervisors a resolution requesting or permitting the Home Tel. Co. and the Pac. Tel. & Tel. Co. to merge, and

Whereas, The electrical workers believe the monopoly created by such merger would not be for the good and welfare of the general public, and

Whereas, The Charter of the City and County favors the acquisition of all public utilities as soon as possible, therefore be it

Resolved, That Local Union No. 151, I. B. E. W., in regular meeting assembled, protest against the passage of this or any other resolution which will bring about a merger of the two telephone companies, and be it further

Resolved, That it is the sense of this organization that immediate action be taken by the people of the City and County to take over and operate the plant of the Home Telephone Company.

Trusting that the Honorable Board will give this resolution their earnest consideration, before taking action, with best wishes I beg to remain

Respectfully and fraternally,

F. W. BARTHOLOMEW,

Secretary.

Communication From Edward F. Ford of Department of Electricity.

San Francisco, Dec. 26th, 1911.

To the Honorable Board of Supervisors of the City and County of San Francisco.

Gentlemen:

I wish to offer for your consideration a solution of the telephone problem which now confronts your honorable body.

This move on the part of the Pacific Telephone and Telegraph Co.,

known as the Bell Company, to secure a monopoly of the telephone business in this city is another significant fact in the chain of circumstances, showing it to be their purpose to get control of all of the electrical methods of communication.

It is useless for me to mention what the result would be to the many patrons should they be successful in their effort. Experience is the best teacher.

In several Eastern cities the Bell Company has been known to grant free local service to many subscribers until such time as they could compel their competitors to sell their properties or go into bankruptcy.

The Board of Supervisors are in a position to regulate the rates to be charged for local telephone service, but I know of no authority which grants them the right to regulate the rates for long distance service.

I wish to cite one or two instances where the privilege of monopoly has been abused. The toll rate between Pittsburg, Pa., and Cleveland, Ohio, during competition, was 35 cents, now it is 75. The Independent Company formerly gave a one-half rate for night service after 6 o'clock in the evening. That rate has been cancelled. Many similar instances could be cited. Think of the benefits to be derived by the people of the bay cities who cannot afford to pay a high toll rate if they were enabled to communicate with their friends and relatives at a one-half rate after 6 o'clock in the evening.

The people of this City and County have expressed themselves in favor of municipal ownership by the adoption of a charter which favors the early acquisition of all public utilities. My plan is this: That the City and County will take over and operate the plant of the Home Telephone Co., which is considered by good telephone authorities to be the most modern, up-to-date telephone plant of its capacity in the world.

LONG DISTANCE.

Statistics show that fully 95 per cent of telephone calls are confined to a radius of seventy-five (75) miles from points of origination. However, universal service is needed and can be had from two sources. First. Through a compulsory physical interconnection between the municipal plant and the Bell Company's toll lines. Second. The best of long distance connections can be had from the Postal Telegraph Company between this city and all points where their lines have been established and they practically parallel the lines of the Bell Company. And in some

places they have been extended much farther. For example, I will cite you one instance which I recall. The Postal Telegraph Company is now able to furnish long distance service between this city and Ogden and Salt Lake City, Utah, while the Bell Company's lines do not reach beyond Reno, Nevada.

The Independent Telephone Companies in the vicinity of Red Bluff, Portland and Medford are using the Postal Telegraph Company's line for long distance connections. Also between the cities of Seattle and Spokane, Wash., and it has proven to be very satisfactory.

Some will say that this city has about reached the bond limit, and in regard to that I wish to say that the city of Seattle, Wash., installed a municipal water plant when the city was bonded to its full capacity and experienced little or no difficulty in disposing of the bonds by offering the water plant as security, and I firmly believe that this City and County could do likewise in purchasing the plant of the Home Telephone Company. Another thing to be considered is that the Home Telephone Company's plant is entirely new in every respect, having been in operation only about two years, and is operated automatically. Automatic telephony has long since passed the experimental stage. The best evidence of this is the fact that many automatic plants are now in operation throughout the United States. The largest is in the city of Chicago, which is now near completion.

To shut down the automatic telephone system and say to the people you cannot have the quicker and more modern telephone service instead of the manual system of party lines and other devices which are out of date would be taking a step twenty years backward, which I think is absurd. Especially at a time when the "World's Panama Pacific Exposition" is coming to our city in "1915".

Another thing to be considered. The franchise of the Home Telephone Company provides for 600 free telephones, figured at a rate of \$3.00 per month, means a saving to the city of \$21,600 per year. Two free ducts in the underground system means a saving of several hundred thousand dollars. Approximate amount could be had from the records in the City Engineer's office. Also two per cent of gross earnings are to be returned to the city beginning next year (1912) which amount I am unable to estimate.

In granting the Home Telephone Company a franchise the people re-

served the right to purchase their plant.

None of the above clauses are mentioned in the franchise under which the Pacific Tel. & Tel. Co. are operating.

Hoping this will receive your earnest consideration, I remain,

Yours for a greater San Francisco.

EDWARD F. FORD,
A Plain Citizen.

55 Fulton street.

At present employed in the Department of Electricity of this City and County in the capacity of supervisor of aerial construction.

Telegram From H. P. Andrews, Representing Tehama and Glenn County Telephone Companies.

Red Bluff, Cal., Dec. 17, 1911.

Supervisor Loughery, care Clerk of Board of Supervisors, 64 Eddy street, San Francisco, Calif.

By reason of date of committee meeting being changed and advanced it is impossible for me to be present tomorrow. My amendment to proposed merger ordinance is along the lines of action taken in other cities where mergers have been permitted and in keeping with utilities bill now pending before the State Legislature. If claim is made that physical connections on long distance cannot be made, the objection is without foundation as such connection is made by the Pacific with Redlands and with Colusa county, both of latter companies using same system that we do.

H. P. ANDREWS,

Atty. for Tehama and Glenn County Telephone Companies.

Privilege of the Floor.

N. H. Robins Jr., President of the Chamber of Commerce, was granted the privilege of the floor and addressed the Board. He stated that it was in the interest of economy and good service to permit the proposed merger. He believed that a single system of telephone communication instead of a dual system would bring about most favorable results in this regard. He declared that the City was protected insofar as rates are concerned by the fact that rates are fixed and character of service is prescribed annually by the Board of Supervisors. The character of long distance service can be prescribed by the recently created commission on public utilities.

A. G. Wright, Attorney, representing San Francisco Chamber of Commerce, stated that charter amendment adopted in 1907 gave the Board of Supervisors of San Francisco power to fix telephone rates, which power theretofore was not possessed by the Board. Therefore, the question of rates was entirely in the

hands of the Board of Supervisors. He declared that the proposed substitute bill submitted by the San Francisco Chamber of Commerce was prepared by himself and that provision was made therein to protect the privileges now enjoyed by the City in the use of ducts for fire and police signal service and the use of free telephones. He declared that in the event of the proposed merger the automatic system undoubtedly would be abolished.

H. B. Andrews of Red Bluff, representing Tehama and Glenn County Telephone Companies, requested that in event of the merger being permitted that provision be made for long distance connections with other telephone companies operating in California outside of San Francisco County.

Motion.

Supervisor Bancroft moved that the entire subject matter be recommitted to the Public Utilities and Telephone Rates Committees.

Motion carried by the following vote:

Ayes—Supervisors Bancroft, Cutten, Herget, Hocks, Knowles, Loughery, Minehan, Murdock, Nelson, Pugh—10.
